Deadly Shores Destroyermen:

Deadly Shores Taylor Anderson, 2014-05-06 National bestselling author Taylor Anderson's explosive WWII alternate history series continues as a do or die battle is waged that risks far more than anyone bargained for. The long planned raid on the heart of the Grik Empire has grown more ambitious and dangerously ill defined. Only Matthew Reddy, commander of the old destroyer USS Walker, seems focused on its original intent. Many Lemurians see an opportunity to reconquer their sacred homeland which was stolen long ago and have no intention of simply striking a blow and then pulling back. Others, Lemurian and human, have their own agendas which may not be in the best interests of the Alliance. Complicating matters further is Reddy's suspicion that his task force is being stalked by an unknown power bent on aiding the Grik for reasons of its own. As the raid begins and chaos reigns, Reddy has no choice but to go all in, risking everything in a desperate act that results in a sprawling nightmarish battle on the beaches of Grik City, on the very decks of Walker, and in the labyrinthine passageways of the Celestial Palace itself. The final cost could be more than Matt Reddy or the Alliance can bear. **Deadly Shores** Taylor Anderson, 2015-05-05 The Destroyermen series continues from the New York Times bestselling author of Straits of Hell. The ambitious long planned raid on the Grik Empire has grown dangerously ill defined. Only Matthew Reddy, commander of the old destroyer USS Walker, seems focused on the original intent. While many Lemurians see an opportunity to reconquer their stolen homeland, others, Lemurian and human, have their own agendas which could compromise the Alliance. Complicating matters further is Reddy's suspicion that his task force is being stalked by some unknown power bent on aiding the Grik for reasons of its own. As the raid begins and chaos reigns, Reddy has no choice but to risk everything in a desperate act that results in a sprawling nightmare battle on the beaches of Grik City, on the very decks of Walker, and in the labyrinthine passageways of the Celestial Palace itself. The final cost could be more than Matt Reddy or the Alliance can bear. [Rising Tides](#) Taylor Anderson, 2011 Lieutenant Commander Matthew Reddy and the crew of the U S S Walker continue to battle for freedom and survival in a parallel universe during World War II in this novel from the author of Distant Thunders. *Straits of Hell* Taylor Anderson, 2016-05-03 Matt Reddy and his crew fight alongside the feline Lemurians and Imperial allies to keep the reptilian Grik, a race growing in supremacy from reconquering the Lemurians' ancestral home on Madagascar. Exhausted, far from reinforcements, and outnumbered, the odds are greater than ever. As for the fate of the Americas, Don Hernan and the evil Dominion have gathered to annihilate the forces behind the walls of Fort Defiance as a shadowy power with an agenda all its own rises with chilling resolve. *Purgatory's Shore* Taylor Anderson, 2022-08-23 On their way to fight in the Mexican American War, a group of American soldiers are swept away to a strange and deadly alternate Earth in this thrilling new adventure set in the world of the New York Times bestselling Destroyermen series. The United States 1847. A disparate group of young American soldiers are bound to join General Winfield Scott's campaign against Santa Anna at Veracruz during the Mexican American War. They never arrive. Or rather they arrive somewhere else. The untried idealistic

soldiers are mostly replacements really a handful of infantry artillery dragoons and a few mounted riflemen with no unified command And they've been shipwrecked on a terrible different Earth full of monsters and unimaginable enemies Major Lewis Cayce late of the 3rd US Flying Artillery must unite these men to face their fears and myriad threats armed with little more than flintlock muskets a few pieces of artillery and a worldview that spiritually and culturally rebels against virtually everything they encounter It will take extraordinary leadership and a cadre of equally extraordinary men and women to mold frightened troops into an effective force make friends with other peoples the evil Holy Dominion would eradicate and reshape their manifest destiny into a cause they can all believe in and fight for For only together will they have any hope of survival

Blood In the Water Taylor Anderson, 2017-05-02 Taylor Anderson's enthralling New York Times bestselling alternate history series continues as game-changing revelations upend the Grand Alliance in a potentially cataclysmic war Reddy and his crew have given their all to protect the oppressed Lemurians But with Walker in desperate need of repairs just as the Grik's First General is poised to strike Reddy is desperate With more enemies than ever before arrayed against them the crew of Walker needs new allies That means combing the lethal wilds of Madagascar to find the Lemurians fabled ancestors as well as the enigmatic dwellers east of the Pass of Fire But what Reddy's crew unearths are discoveries so shattering they could tilt the balance of the war in either direction But Reddy's greatest adversary is from his past a madman named Kurokawa whose single-minded mission of revenge will shake the Alliance to its core and raise the stakes to the most personal and terrifying levels Reddy has ever faced

Storm Surge Taylor Anderson, 2014-05-06 In the Pacific as USS Walker is repaired and updated after a previous battle and Matt Reddy is healing from his wounds planning begins for a bold raid on the very heart of the Grik Empire But time is running out for the Alliance army in Indiaa and the Allied forces in the west must gather in an unprecedented land air and sea campaign to destroy the mighty Grik battle fleet and break through to their relief All other plans go on hold when the attempt proves more difficult and more heartbreakingly costly than anyone imagined Meanwhile the struggle continues on other fronts near and far in the jungles of Borno in distant southern Africa and in the Americas where the Allies are finally learning the terrible truth about the twisted Dominion The Alliance is on the offensive everywhere but their enemies have a few surprises including new weaponry and new tactics and a stunning geographic advantage that Reddy never suspected Until now

Devil's Battle Taylor Anderson, 2024-08-06 Marooned on a deadly alternate Earth Colonel Lewis Cayce and his soldiers find themselves outnumbered and outclassed in this riveting adventure set in the world of the New York Times bestselling Destroyermen series After being stranded on a very different and more perilous Earth Colonel Lewis Cayce led his small army of displaced Americans natives of the Yucatán and Jaguar Warriors to defeat the biggest host the Dominion general Agon could assemble Most unexpectedly General Agon came to recognize the inherent evil of the Dominion and its depraved Blood Priests and turned on his former leaders Awkwardly at first Lewis Cayce and Agon join forces to press their common enemy back toward the dark heart of the Dominion in the Great

Valley of Mexico But more Dominion troops have been drawn from the west to stop the Allied march on the Holy City and a grueling race has begun Worse the Gran Cruzada a vast Dom army that was marching on the far Californias to eject yet another heretic foe might ve already been recalled to face Cayce s soldiers Time has become more precious than ever and before Lewis Cayce can even try to implement his plan for total victory he and his force must brave their greatest challenge yet a brutal fight against a larger better trained army whose commander has a gift for strategy to rival Cayce s own The struggle to keep all his soldiers alive new friends and old comrades alike will test Cayce like never before and win or lose nothing will be the same

Hell's March Taylor Anderson,2023-08-01 Major Lewis Cayce will need to use every weapon in his arsenal to keep his stranded men alive on a deadly alternate Earth in this gripping new adventure set in the world of the New York Times bestselling Destroyermen series It is 1847 and almost a full year after being shipwrecked on another far stranger and more dangerous Earth on their way to fight Santa Anna in the Mexican American War Lewis Cayce and his small group of artillerymen infantrymen and dragoons have made friends in the Yucat n helped build an army and repulsed the first efforts of the blood drenched Holy Dominion to wipe their new friends out As an even more radical cult of Blood Priests arises and begins to pursue its own path to power the Dominion can t let its defeat stand It must crush the heretics and expel them from the land it has claimed Fortunately Lewis Cayce is a professional He understands defense can only result in a stalemate at best and a stalemate with the more populous Dominion will only lead to defeat in the end The lucky few will be enslaved The rest will be sacrificed in the most horrific way imaginable The only hope his new allies have is to win and to do that his little army must attack the most powerful and diabolical enemy on the planet in its own territory Achieving victory will take all Lewis s imagination the courage and trust of his soldiers and all the round shot and canister his tiny band of artillerymen can slam out

Inferno's Shadow Taylor Anderson,2025-07-01 Lost in a mysterious world far from all they knew in 1847 America Colonel Lewis Cayce and his soldiers must face the unimaginable might of the Dominion once and for all in this gripping alternate history from the New York Times bestselling author of the Destroyermen series Colonel Lewis Cayce and his forces were a group of American soldiers bound to fight in the Mexican American War until they were stranded in a strange new world inhabited by vicious monsters new friends and deadly foes Now Cayce has brought his army of displaced Americans and their indigenous allies into the heart of the loathsome blood drenched Dominion s stronghold If he can take the enemy s holiest city and support the elevation of a new Supreme Holiness who seeks to moderate the Dominion s thirst for expansion slavery and blood sacrifice Cayce s own goal for his army and new people to live in security and freedom will be assured But no matter how good of a soldier he is Cayce is ruled by reason and the madness and seemingly suicidal treachery of his adversaries not to mention the sheer titanic scope of the force arrayed against him might finally be more than he can cope with Which side will ultimately discover that even victory can end in defeat
