Daily Devotional Scott Kraniak, 2017-05-17 Depression Anxiety and the Child of God is a book that has been long overdue It is a book that takes the taboo out of being a Christian and suffering with emotional issues All throughout the Bible we see accounts of great people of God being afraid depressed panicking even thinking suicidal thoughts If the Bible speaks about these issues why don't we Far too long the church has been silent and lacking the education to deal with these things Today is a brave new world with new challenges that pastors and clergy from days gone by never had to deal with the dismantling of the family unit pornography a sexually permissive anti Biblical and anti moral society The church has lost all of its significance and effectiveness The church has no clout or relevance today letting the important ones fall to the wayside We are a laughing stock to the world today known only by our hatred of certain select peoples and pet peeve sins Why aren't we known for Christ's love his redemption available to all and Christ's high standard of moral excellence No we have become like the world and with it we have acquired the world's problems including depression and anxiety This devotional and book set sold separately attempts to turn all of that on its side just as Christ turned this world upside down We are due for a flip and Pastor Scott hope to make that flip back to true Christianity through his life's work put into this project
