Death Old Bitch Jamie Virostko:

Death of an Old Bitch Jamie Virostko, 2015-12-12 Martha Toots Virostko survived a childhood of poverty during the Great Depression to begin married life with the man of her dreams who turned out to be an alcoholic and serial philanderer. Still her unhappy marriage endured over fifty years until her husband's final breath. During that time she forged a successful career as a telephone operator when most women rarely worked outside the home. Denied a college education Toots schooled herself with books and research opening her mind to new worlds and exotic places. Unfortunately she retained narrow minded attitudes toward minorities, foreigners and certain religious groups. Outspoken in politics Martha was a fervent supporter of workers rights and social programs that brought greater opportunity to the common man. Despite loving her children desperately and sacrificing for their future she conveyed conditions upon her approval and affection that would wound her daughter and son well beyond her death. A battered wife, controlling mother, accidental feminist, amateur historian and raging bigot Toots Virostko became a walking contradiction, scared, bitter and weighed down by disappointment. Seizing an opportunity for redemption she attempted with little success to forge a bond with her only grand daughter, a solitary child often lost in her own head. With compassion and humor Jamie Virostko explores her relationship with a grandmother who drove her crazy and whom she loved in spite of never truly understanding her. In this memoir she explores that elusive bond, searching for a connection to her past that will give her some small hope for the future.
