Chinas Strategic Modernization Implications For The United States:

China's Strategic Modernization Mark A. Stokes,1999 **China's Strategic Modernization** Mark A. Stokes,1999-09
Conventional wisdom portrays the People s Republic of China PRC people s Liberation Army PLA as a backward continental force that will not pose a military challenge to its neighbors or to the United States well into the 21st century PLA writings that demonstrate interest in exploiting the revolution in military affairs RMA are dismissed by a large segment of the PLA watching community as wistful fantasies Major Mark A Stokes assistant air attache in Beijing from 1992 1995 offers an alternative perspective In this study funded by the United States Air Force Institute for National Security Studies he outlines emerging PLA operational concepts and a range of research and development projects that appear to have been heavily influenced by U S and Russian writings on the RMA Fulfillment of the PLA s vision for the 21st century could have significant repercussions for U S interests in the Asia Pacific region Major Stokes ventures into facets of PLA modernization that are often ignored Backed by extensive documentation he argues that the revolutionary modernization of the PRC s telecommunications infrastructure a robust space air and ground based sensor network and prioritization of electronic attack systems could enable the PLA to gain information dominance in future armed conflicts around its periphery Information dominance would be further boosted by China s traditional emphasis on information denial and deception **China's Strategic Modernization: Implications For The United States... U.S. Department Of Defense** National Defense University,1999* *China's Strategic Modernization* Mark A. Stokes,1999-01-01 *America, China, and the Struggle for World Order* G. John Ikenberry,Zhu Feng,Wang Jisi,2015-07-22 This book brings together twelve scholars six Americans and six Chinese to explore the ways America and China think about international order The book shows how each country s traditions historical experiences and ideologies influence current global dialogues *China and East Asian Strategic Dynamics* Mingjiang Li,Dongmin Lee,2011-07-16 *China and East Asian Strategic Dynamics the Shaping of a New Regional Order* edited by Mingjiang Li and Dongmin Lee examines how China s remarkable economic growth and its proactive diplomatic efforts in recent years have not only shored up its importance in global issues but also induced a transformation of the strategic dynamics in East Asia The authors argue that major power relations in the region appear to be driven by some new momentum along with the changing international environment The contributors of this edited volume are well known scholars in their areas of specialty and the book is divided into five parts The first part discusses China s soft and hard power in East Asia The second examines China and the strategic interactions between major powers this particular section is devoted to discussion on the strategic responses of the major regional powers the United States Japan Korea India and ASEAN to China s rise Part three focuses on China s strategic approach to East Asian regionalism Of particular note are China s active leadership role in institution building efforts strategic calculations and preference for an informal approach The fourth section analyzes the Cross Taiwan Strait relations and their impact on both China and East Asia The final section

of China and East Asian Strategic Dynamics addresses the issue of China and maritime order in East Asia China and East Asian Strategic Dynamics the Shaping of a New Regional Order edited by Mingjiang Li and Dongmin Lee is a pioneering work Given that the rise of China is a prominent issue in politics and economics worldwide this edited collection is essential for a wide audience of policy makers academics and students alike

Modernizing China's Military David Shambaugh, 2003-03-25 David Shambaugh a leading international authority on Chinese strategic and military affairs offers the most comprehensive and insightful assessment to date of the Chinese military The result of a decade s research Modernizing China s Military comes at a crucial moment in history one when international attention is increasingly focused on the rise of Chinese military power Basing his analysis on an unprecedented use of Chinese military publications and interviews with People s Liberation Army PLA officers Shambaugh addresses important questions about Chinese strategic intentions and military capabilities questions that are of key concern for government policymakers as well as strategic analysts and a concerned public *Documentary annex, report to Congress of the U.S.-China Security Review Commission* U.S.-China Security Review Commission, 2002

The US-China Military and Defense Relationship during the Obama Presidency James Johnson, 2018-04-28 This book offers a timely and compelling explanation for the deterioration of U S China security relations during the Obama Presidency The U S China relationship has become one of if not the most vital features of contemporary world politics and with arrival the Donald Trump to the White House in 2017 this vital geopolitical relationship sits at a precarious and dangerous crossroads This book assesses a wide array of sources to systematically unpack the policy rhythms drivers and dynamics that defined the course of Sino American security relations during the Obama era It fills several gaps in the literature on international security and conflict and offers a nuanced and innovative comparative approach to examine individual military domains The case study chapters draw on recent Chinese and English sources on military doctrine capabilities and defense strategy to build a clear understanding the main sources of U S China misperceptions and highlight the problems these assessments can create for the conduct of statecraft across strategically competitive geopolitical dyads The book builds a sobering picture of U S China relations that will appeal to specialists and generalists alike with an interest in future warfare emerging military technologies military studies arms control and foreign policy issues in the Asia Pacific region more broadly

Trading with the Enemy Hugo Meijer, 2016-03-01 In light of the intertwining logics of military competition and economic interdependence at play in US China relations Trading with the Enemy examines how the United States has balanced its potentially conflicting national security and economic interests in its relationship with the People s Republic of China PRC
