American stereotypes may be challenged negotiated and destroyed as athletic performances create multiple opportunities for claiming American identities This volume incorporates work on Pacific Islander South Asian and Southeast Asian Americans as well as East Asian Americans and explores how sports are gendered including examinations of Asian American men s attempts to claim masculinity through sporting cultures as well as the Orientalism evident in discussions of mixed martial arts as practiced by Asian American female fighters This American story illuminates how marginalized communities perform their American ness through co ethnic and co racial sporting spaces **San Francisco Bay Area Sports** Rita
