Complex Tv The Poetics Of Contemporary Television Storytelling:

Complex TV Jason Mittell, 2015-04-10 A comprehensive and sustained analysis of the development of storytelling for television Over the past two decades new technologies changing viewer practices and the proliferation of genres and channels has transformed American television One of the most notable impacts of these shifts is the emergence of highly complex and elaborate forms of serial narrative resulting in a robust period of formal experimentation and risky programming rarely seen in a medium that is typically viewed as formulaic and convention bound Complex TV offers a sustained analysis of the poetics of television narrative focusing on how storytelling has changed in recent years and how viewers make sense of these innovations Through close analyses of key programs including *The Wire* *Lost* *Breaking Bad* *The Sopranos* *Veronica Mars* *Curb Your Enthusiasm* and *Mad Men* the book traces the emergence of this narrative mode focusing on issues such as viewer comprehension transmedia storytelling serial authorship character change and cultural evaluation Developing a television specific set of narrative theories Complex TV argues that television is the most vital and important storytelling medium of our time

Contemporary British Television Crime Drama Ruth McElroy, 2016-10-14

Contemporary British Television Crime Drama examines one of the medium's most popular genres and places it within its historical and industrial context The television crime drama has proved itself capable of numerous generic reinventions and continues to enjoy some of the highest viewing figures Crime drama offers audiences stories of right and wrong moral authority asserted and resisted and professionals and criminals doing so in ways that are often highly entertaining innovative and thought provoking In examining the appeal of this highly dynamic genre this volume explores how it responds not only to changing social debates on crime and policing but also to processes of hybridization within the television industry itself Contributors many of whom are leading figures in UK television studies analyse popular series such as *Broadchurch* *Between the Lines* *Foyle's War* *Poirot* *Prime Suspect* *Sherlock* and *Wallander* Essays examine the main characteristics of television crime drama production including the nature of trans Atlantic franchises and literary and transnational adaptations Adopting a range of feminist historical aesthetic and industrial approaches they offer incisive interrogations that provide readers with a rich understanding of the allure of crime drama to both viewers and commissioners
