Carole King Tapestry

**Carole King, International Music
Publications, Limited**

Carole King Tapestry:

Carole King - Tapestry (Songbook) Carole King, 2000-02-01 Finger Style Guitar Features fingerstyle guitar arrangements in notes and tab for 13 songs from Carole King's classic ground breaking album Includes Beautiful I Feel the Earth Move It's Too Late You Make Me Feel Like A Natural Woman Smackwater Jack So Far Away Tapestry Will You Love Me Tomorrow You've Got a Friend more Also includes an introduction and a selected discography **Carole King Tapestry** Carole King, International Music Publications, Limited, 1996 Carole King's Tapestry Loren Glass, 2021-03-11 Carole King's Tapestry is both an anthemic embodiment of second wave feminism and an apotheosis of the Laurel Canyon singer songwriter sound and scene And these two elements of the album's historic significance are closely related insofar as the professional autonomy of the singer songwriter is an expression of the freedom and independence women of King's generation sought as the turbulent sixties came to a close Aligning King's own development from girl to woman with the larger shift in the music industry from teen oriented singles by girl groups to albums by adult oriented singer songwriters this volume situates Tapestry both within King's original vision as the third in a trilogy preceded by Now That Everything's Been Said and Writer and as a watershed in musical and cultural history challenging the male dominance of the music and entertainment industries and laying the groundwork for female dominated genres such as women's music and Riot Grrrl punk

Carole King - Tapestry (Songbook) Carole King, 2003-12-01 Easy Piano Personality Easy piano arrangements of all 12 tracks from one of the bestselling albums of all time Beautiful Home Again I Feel the Earth Move It's Too Late You Make Me Feel Like A Natural Woman Smackwater Jack So Far Away Tapestry Way Over Yonder Where You Lead Will You Love Me Tomorrow Will You Still Love Me Tomorrow You've Got a Friend **Carole King - Tapestry** Carole King, 2003-12 Easy Piano Personality Easy piano arrangements of all 12 tracks from one of the bestselling albums of all time Beautiful Home Again I Feel the Earth Move It's Too Late You Make Me Feel Like A Natural Woman Smackwater Jack So Far Away Tapestry Way Over Yonder Where You Lead Will You Love Me Tomorrow Will You Still Love Me Tomorrow You've Got a Friend Also available in a P V G edition 00308247 14 95 *The Words and Music of Carole King* James E. Perone, 2006-10-30 This long overdue examination of Carole King offers her legions of fans the chance to see how her work has developed over time understand what her music means to other contemporary performers and grasp its significance in American music at large Name a Carole King song Anyone who's been a fan of popular music over the past 45 years should be able to do it with ease Will You Still Love Me Tomorrow Take Good Care Of My Baby The Locomotion One Fine Day Up On The Roof A Natural Woman I Feel The Earth Move Smackwater Jack It's Too Late So Far Away You've Got A Friend Few writers can claim such a formidable catalogue Fewer still can with justice claim to have spoken for a generation After collaborating with Paul Simon in high school and composing hits for The Shirelles Aretha Franklin The Monkees Blood Sweat and other artists throughout the 1960s Carole King launched herself into the spotlight with the 1971 album Tapestry

Tapestry sold over 22 million copies and was one of the most important feminist statements of the day not just because of the words or music but because King maintained almost total control over her product. Carole King has continued composing and performing breakthrough work since Tapestry though over the past 15 years audiences are more likely to have heard her music in films such as *One True Thing*, *You've Got Mail* and *A League of Their Own*. In 1988 the National Academy of Songwriters presented King and her one time husband and collaborator Gerry Goffin with the Lifetime Achievement Award. Goffin and King were inducted into the Rock and Roll Hall of Fame as non performers in 1990. Carole King was inducted into the Songwriters Hall of Fame in 1986. Although Tapestry still stands as King's masterpiece she recorded many other albums including *Fantasy*, *Colour of Your Dreams*, *City Streets*, *Pearls*, *Wrap Around*, *Joy*, *Touch the Sky*, *Simple Things*, *Thoroughbred*, *Love Makes the World*, *Welcome Home* and *Really Rosie*. All of these are discussed in the course of this volume as are songs covered and performed by other artists.

Jukebox Musicals Kristin Stultz Pressley, 2025-08-21 What is meant by the phrase Jukebox Musical? What does Crazy for You have in common with Mamma Mia and Moulin Rouge? Why do audiences love and critics tolerate Jukebox Musicals? Jukebox Musicals explores a style of show that's dominated Broadway for the better part of two decades. Through a chronological look at the development of long running hits like Mamma Mia and Jersey Boys this book traces the Jukebox Musical from when it was an exception on Broadway to when it became the rule. Examining the origins and reception for ten of these shows this volume offers an exploration of one of the most divisive sub genres of the musical form. Published in Methuen Drama's Essential Musicals series this book is perfect for students of Musical Theatre drawing together different resources to dig into the backstories of Broadway's biggest hits and mining the historical record for nuggets of information that illuminate our understanding and enhance our enjoyment of Musical Theatre's unique brand of magic.

The Album James E. Perone, 2012-10-17 This four volume work provides provocative critical analyses of 160 of the best popular music albums of the past 50 years from the well known and mainstream to the quirky and offbeat. *The Album: A Guide to Pop Music's Most Provocative Influential and Important Creations* contains critical analysis essays on 160 significant pop music albums from 1960 to 2010. The selected albums represent the pop, rock, soul, R & B, hip hop, country and alternative genres including artists such as 2Pac, Carole King, James Brown, The Beatles and Willie Nelson. Each volume contains brief sidebars with biographical information about key performers and producers as well as descriptions of particular music industry topics pertaining to the development of the album over this 50 year period. Due to its examination of a broad time frame and wide range of musical styles and its depth of analysis that goes beyond that in other books about essential albums of the past and present this collection will appeal strongly to music fans of all tastes and interests.

The Sound of the City Charlie Gillett, 2011-05-01 Charlie Gillett a British journalist loves the music and his passion is evident throughout *The Sound of the City*. Yet the greatest strength of the book is the way Gillett tracks the resistance of the music industry to early rock and roll which was followed needless to say by a frantic rush to engulf and devour it. When first

published *The Sound of the City* was hailed as having never been bettered as the definitive history of rock. Guardian Now the classic history of rock and roll has been revised and updated with over 75 historic archive photos. The text has been substantially revised to include newly discovered information and it is now the one essential work about the history of rock n roll. Jon Landau in Rolling Stone

Pop Music Management Michael Mary Murphy, 2024-12-30 What can the top of the charts in the world's biggest music market tell us about management? This book analyses pop music successes to understand the role of managers and management. A critical study of management in the pop music industry, the book illuminates the key trends in music management and how these have changed significantly in the last 60 years. The author shows how those changes have influenced the music we hear and how it is represented. Featuring insights into equality, diversity and inclusion, the book also highlights how pop music management has contributed to consolidation in the global music industry. The book examines the management behind acts including Taylor Swift, the Beatles, K-pop icons, hip-hop pioneers, Johnny Cash, Jay Z, Carole King and many others. By providing clear and concise examples of the management behind Number One albums in the US charts, the book invites the reader not only to think about real world management but also to consider getting involved with management themselves. This practical and accessible book will prove valuable reading for students and scholars of the music business and provide insightful lessons for music managers around the world.
