**Katherine Maynard, Jarod
Kearney, James Guimond**

Carnival Kingdom Biblical Justice For Global Communities:

Carnival Kingdom Marijke Hoek, Jonathan Ingleby, Andy Kingston-Smith, 2013 The first Christians lived out a new social order and envisaged the world anew Divisions inequalities and injustices would be overturned as the world would reflect a new kind of reign In the Kingdom of God the powerful are brought low while the oppressed are raised up the hungry are filled with good things while the rich are sent empty away the wolf lives with the lamb and the leopard lies down with the goat the slave becomes the son the master is the servant of all and the meek will inherit the earth This same upside down Kingdom is echoed in the Carnival festivals of the Medieval era which both parodied the oppressive structures of their day and dramatically portrayed an alternative reality In this book twelve scholars theologians and social activists from around the world take up the Carnival s call for justice and a renewed society and portray in their own contexts the Kingdom of God coming in justice and fullness of life the coming of the Carnival Kingdom

Oikos: God's Big Word for a Small Planet Andrew Francis, 2017-04-25 How you spend your time and money controls what happens on this planet Planet Earth and its people are in danger We face ongoing economic and ecological crises These will deepen unless all of God s people begin to act as one global community Natural resources are diminishing and the economic world order is changing We cannot go on living as though we can call up another planet Change is needed now and this book addresses that The biblical vision of the world as oikos meaning household is God s challenge to all people about the way we live now and in the future Oikos affirms the need for reconciliation and peace between faiths and nations and should determine our economic practices and how we care for the planet In this timely and challenging book is a renewed call to follow the Maker s instructions Whether it is 9 11 Chernobyl or the 2008 financial crash that call for change is repeating itself This book not only explains why we need to change but also provides practical advocacy of how you can help to achieve it

Global Poverty Justin Thacker, 2017-05-12 Christian authors have argued either for a free market solution to global poverty or for a radical reform of global capitalism but the theological underpinnings of such conclusions are noticeable by their absence Justin Thacker offers a new way forward He suggests deeply theological answers to questions around the effect of capitalism on global poverty

NIV, God's Justice: The Holy Bible Zondervan, 2016-02-23 Learn to Do Right Seek Justice Defend the Oppressed God s justice his setting things right is a foundational principle of the Bible This NIV Bible traces His plan for justice to triumph from Genesis to Revelation and explores this theme that forms the backbone of Scripture God s plan is to restore the flourishing of creation and to see the end of evil and every book of the Bible is infused with hints of this powerful and redemptive process Designed to inform and inspire NIV God s Justice The Holy Bible carefully addresses the timeless and universal issues around injustice Written by a team of international writers who bring a global perspective to these issues NIV God s Justice The Holy Bible is designed to fire readers passion for social justice and take positive steps to bring justice issues to light in their own circle of influence The writers come from every continent representing organizations such as the International Justice Mission

Compassion and World Vision Well Known UK and US contributors include Kirsh Kandiah Tim Stafford Andy Crouch Ron Sider and Joel Edwards However you understand justice currently you will be encouraged to learn that there is even more to God's perspective on justice than you thought Features Complete text of the accurate readable and clear New International Version NIV Book introductions for every book in the Bible highlight how the theme of God's justice is addressed throughout the entire Bible Study notes on passages that speak to the problems of injustice in the world governmental oppression human trafficking slavery financial inequality and more and how God's overall plan is to restore his creation Prayers and questions for reflection at the end of each book of the Bible World Christian perspective on God's justice presented by 56 international scholars and writers Full color interior design with wood carving images of trees from around the world *Poverty in the Early Church and Today* Steve Walton, Hannah Swithinbank, 2019-01-24 This book is open access and available on www.bloomsburycollections.com It is funded by Knowledge Unlatched This innovative volume focuses on the significance of early Christianity for modern means of addressing poverty by offering a rigorous study of deprivation and its alleviation in both earliest Christianity and today's world The contributors seek to present the complex ways in which early Christian ideas and practices relate to modern ideas and practices and vice versa In this light the book covers seven major areas of poverty and its causes benefaction patronage donation wealth and dehumanization the undeserving poor and responsibility Each area features an expert in early Christianity in its Jewish and Graeco Roman settings paired with an expert in modern strategies for addressing poverty and benefaction each author engages with the same topic from their respective area of expertise and responds to their partner's essay Giving careful attention to both the continuities and discontinuities between the ancient world and today the contributors seek to inform and engage church leaders those working in NGOs concerned with poverty and all interested in these crucial issues both Christian and not Pentecostal Public Theology Simo Freestad, Mark J. Cartledge, 2024-07-11 This is the first academic work to focus explicitly on Pentecostal public theology in Europe Following a growing interest in understanding Pentecostal beliefs and practices with respect to the public sphere this book shifts the focus of Pentecostal engagement with politics society and culture from the Global South and North America to Europe This work also discusses themes such as Pentecostal public values identity nationalism poverty democracy education race and political engagement in the context of European Pentecostalism The book provides an historical overview by bringing together various European voices to discuss the current challenges and possible trajectories for Pentecostal public theology in a constructive fashion With contributions from leading and emerging European Pentecostal and Charismatic scholars this book is a must for scholars interested in understanding Pentecostal beliefs and practices in the public sphere in a European context **Christian Egalitarian Leadership** Aida Besancon Spencer, William David Spencer, 2020-10-30 Much has been written on servant leadership but it is not always tied to egalitarian leadership Sometimes authority and power instead of God's love are presented as the core of the Christian faith The church at times derails imitating worldly culture emphasizing

entitlement that relies on an innate or permanent human hierarchy of rank Responding to today's conflict over leadership Christian Egalitarian Leadership calls us back to its biblical roots what is Christian egalitarian leadership Why is it biblical How does it work Thoughtful and devout Christian leaders carefully explain how sharing leadership follows God's intentions and is crucial to implement today The theoretical and practical ramifications of these concepts are extended to many areas of the Christian life by numerous qualified individuals women and men of different races and economic and social classes Chapters overview New Testament teachings biblical authority Old Testament and contemporary examples God's intention at creation pagan philosophy's influence on Christian hierarchical leadership multicultural and multi ethnic leadership in the United States and Africa marriage rearing children equipping youth and laity church planting retirement and missions from the cradle to the mission field

The Scriptures in the Book of Revelation and Apocalyptic Literature Susan

Docherty, Steve Smith, 2023-06-15 This volume addresses one of the key issues in the study of the Book of Revelation and the apocalyptic genre more broadly the re use within these texts of the Jewish Scriptures A range of expert contributors analyse specific themes and passages and also explore wider methodological questions aiming particularly to engage with the ground breaking work in this field of Steve Moyise Divided into three sections the book first focuses on hermeneutical questions such as the role of typology in interpretation and the relationship between the original meaning of a scriptural text and the sense it acquires in a new literary context In the following section a series of chapters offers detailed exegetical engagement with the Book of Revelation These probe the scriptural background of some of its major theological themes e.g. time sounds and silence and significant passages e.g. the Song of the Lamb and other hymns and highlight fresh aspects of its reception by both ancient and modern audiences The final section considers the place of scripture and its interpretation in a selection of other early Jewish and early Christian apocalyptic writings including 1 Enoch Paul's Letters and the First Apocryphal Apocalypse of John

Globalisation, Global Justice and Social Work Iain Ferguson, Michael Lavalette, Elizabeth

Whitmore, 2005 Globalization has become a seemingly unstoppable force over recent decades and in its wake global notions of social justice have developed in response to its negative aspects Neo liberal economic policies have been a key element in the wider process of globalization and these policies have had a profound impact on welfare provision and the shape of social work practice Arising dissatisfaction among users of welfare and social work services is fuelling the search for a new more radical social work that is firmly rooted in principles of social justice Globalisation Global Justice and Social Work explores the global effects of neo liberal policies on welfare services in different countries with contributions from social work academics practitioners and welfare activists around the world The first section of the book presents case studies of impact of neo liberalism on welfare systems social service provision and the practice of social work In the second section the chapters explore the relationship between social work practice and the struggle for social justice Authors discuss the personal and political dilemmas they have had to address in seeking to link a personal commitment to social justice with their

daily practice as workers and educators in social work The final section assesses the prospects for social work practice based on notions of social justice by looking at what can be learned from the experience of previous radical movements as well as from emergent global and local movements

Revenge Versus Legality Katherine Maynard, Jarod Kearney, James Guimond, 2010-04-09 In the wake of Guantanamo Bay extraordinary renditions and secret torture centres in Eastern Europe and elsewhere *Revenge versus Legality* addresses the relationship between law and wild or vigilante justice between the power to enforce retribution and the desire to seek revenge Taking up a variety of narratives from the eras of Romanticism Realism Modernism and the Contemporary period and including new theories to explain the interactions that occur between legalistic courtroom justice and the vigilante variety *Revenge versus Legality* analyzes some of the main obstacles to justice ranging from judicial corruption to racism and imperialism The book culminates in a consideration of that form of crime or lawlessness that poses the most serious threat to the rule of law vigilante justice masquerading as legality With its mixture of politics literature law and film this lively and accessible book offers a timely reflection on the enduring phenomenon of revenge
