

The Complete Subject and Predicate

The **complete subject** contains the simple subject and any additional words that tell you who or what the sentence is speaking about. The **complete predicate** contains the simple predicate plus all other words that talk about the actions of the subject or condition of the subject following a linking verb.

Example: The jolly young man / told good jokes all the time.
complete subject complete predicate (with action verb)
The jolly young man / is a great joke teller.
complete subject complete predicate (with linking verb)

Underline the complete subject in each sentence once. Underline the complete predicate twice.
