Deacon Training Manual

Keith M. Bailey

Deacon Training Manual:

Servants in Charge Keith M. Bailey, 2007-04-01 *Servants in Charge* is a training guide for elders and deacons with a study guide included. *Servants in Charge* defines the roles of elders and deacons and offers practical suggestions for selecting these important leaders. And for servants who find themselves in charge, there are guidelines toward effective and fruitful ministry. Have you ever been in an office or a place of business when someone walked in and asked, "Who's in charge here?" Can it be that the people who enter your church ask the same question but it is important to realize the answer is not a mystery. In a beautiful parable about His second coming, Jesus made it clear that His servants are in charge. These people are known not so much for their position or power but for their attitude of true servanthood. In *Servants in Charge*, we find that Dr. Bailey deals with the topics of who a deacon and elder are to be to what their qualifications are from a scriptural basis. He also goes on to explain their biblically based ministries and their spiritual gifts as laid out in the New Testament. He completes this short study with a guide for preparation for them and their election and consecration. A great must-have for the church today.

The Biblical Deacon Training Manual Larry A. Brookins, 2011. Instructional Manual for the training of individuals for the office of a Deacon. *A Deacon Training Manual* Oran L. Roberts, Southern Baptist Theological Seminary, 1981. **Deacon Training** Kate Ward-Turner, 2008-05. Indifference toward deacon development places the church in a precarious state. By and large, congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office. When pastor and congregation disregard the need to have trained deacons, the office is allowed to recede into one of mere honor rather than service established in Christ. On the other hand, trained deacons or those in training discover exciting opportunities with which the office of deacons is filled. They come to perceive the office as one of service rather than honor. The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor. Unquestionable: God is looking for a special breed of deacons, a New Testament breed who are Spirit-filled and qualified. To say that deacons are qualified is to say also that they are trained for the work of deacons. *Deacon Training in the Black Church* Eric A. Mayes, 1991-08-01. **Deaconess Training Manual** Larry A. Brookins, 2011-09-14. This is a training manual and workbook to be used in preparing women in the church for the work of a Deaconess. **House of Manna Ministries Deacon's Training Manual** Robert Robinson, Pastor Robinson, 2017-10-05. Training manual for deacons. **The Deacon Ministry** Calvin Eugene Moore, Jr., 2025-06-23. *The Deacon Ministry: A Training Manual* is a comprehensive guide designed to equip aspiring deacons with the spiritual foundation, practical skills, and servant-hearted mindset essential to their calling in the Christian church. Rooted in biblical principles and enriched with real-life applications, this manual offers step-by-step instruction on the roles, responsibilities, and heart posture of a deacon. Ideal for pastors, church leaders, and ministry teams, it serves as both a training resource and a reference tool to support the growth, unity, and effectiveness of the deacon ministry within the local church. *A Process for Formulating an Elder and Deacon Training Manual for the Wheaton Evangelical*

Free Church, Wheaton, Illinois R. Ivan York, 1981 Training Ministry Teams Anne Stuckey, 2004 Provides practical instruction to help pastors and congregational leaders bring clarity and purpose to the role of elders or deacons and to help deacons or elders learn and refine their ministry Each of the nine sessions in Training Ministry Teams reflects on Jesus method of training leaders and works toward a specific outcome Topics include working as a ministry team decision making mediating conflict visitation partnering with the pastor and more Sessions conclude with group assignments designed to move participants from theory to action Also included are resources to help in calling commissioning and nurturing elders and deacons 108 Pages
