Literature**

Criterion Reason Necessity Present War:

The Channel Renaud Morieux, 2016-03-29 Rather than a natural frontier between natural enemies this book approaches the English Channel as a shared space which mediated the multiple relations between France and England in the long eighteenth century in both a metaphorical and a material sense Instead of arguing that Britain's insularity kept it spatially and intellectually segregated from the Continent Renaud Morieux focuses on the Channel as a zone of contact The narrow sea was a shifting frontier between states and a space of exchange between populations This richly textured history shows how the maritime border was imagined by cartographers and legal theorists delimited by state administrators and transgressed by migrants It approaches French and English fishermen smugglers and merchants as transnational actors whose everyday practices were entangled The variation of scales of analysis enriches theoretical and empirical understandings of Anglo French relations and reassesses the question of Britain's deep historical connections with Europe

Catalogue of the Library of the Royal United Service Institution Royal United Service Institution (Great Britain). Library, 1908 **A catalogue of books, chiefly relating to English and American history and antiquities ... presented to the University of McGill college, Montreal, by Peter Redpath, esq** Montreal McGill univ, libr, 1884

Military Necessity and Just War Statecraft Eric Patterson, Marc LiVecche, 2023-12-19 This book analyzes the concept of military necessity and just war thinking and argues that it should be seen as a vital moral principle for leaders The principle of military necessity is well understood in the manuals of modern militaries and is recognized in the war convention It is the idea that battlefield commanders should make every effort to win on a local battlefield within legal means and using proportionate and discriminating weapons and tactics Every legal textbook on war includes military necessity as a foundational principle within the jus in bello ethics of fighting war alongside principles of proportionality and distinction and it is taught in every Western military academy Even the International Committee of the Red Cross lauds the concept as a cardinal principle of warfare However unlike legal scholarship one can pick up a book by almost any just war thinker in philosophy theology or the social sciences and the concept is missing altogether in their literature This volume returns military necessity to just war thinking and lays out the argument for doing so Each contributor taps into one of the many dimensions of military necessity such as its relationship to jus ad bellum ethics of going to war categories e.g. right intention its relationship to jus in bello categories or its application in foreign policy and military doctrine Case studies in the book point out the practical moral dimensions of military necessity in cases from the targeted killing of terrorists to battlefield decisions that led to the use of the atomic bomb at Hiroshima This book will be of interest to students of just war theory military ethics statecraft and international relations

The Ethics of War and the Force of Law Uwe Steinhoff, 2020-11-25 This book provides a thorough critical overview of the current debate on the ethics of war as well as a modern just war theory that can give practical action guidance by recognizing and explaining the moral force of widely

accepted law Traditionalist Walzerian and revisionist approaches have dominated contemporary debates about the classical jus ad bellum and jus in bello requirements in just war theory In this book Uwe Steinhoff corrects widely spread misinterpretations of these competing views and spells out the implications for the ethics of war His approach is unique in that it complements the usual analysis in terms of self defense with an emphasis on the importance of other justifications that are often lumped together under the heading of lesser evil It also draws on criminal law and legal scholarship which has been largely ignored by just war theorists Ultimately Steinhoff rejects arguments in favor of moral fundamentalism the view that the laws and customs of war must simply follow an immutable morality In contrast he argues that widely accepted laws and conventions of war are partly constitutive of the moral rules that apply in a conflict *The Ethics of War and the Force of Law* will be of interest to scholars and advanced students working in just war theory applied ethics political philosophy political theory philosophy of law and criminal and military law *Catalogue of the Goldsmiths' Library of Economic Literature: Printed books to 1800, compiled by Margaret Canney and David Knott.-v.2.Printed books 1801-1850, compiled by Margaret Canney, David Knott and Joan M.Gibbs* Goldsmiths' Library of Economic Literature,1970 *Contingent Pacifism* Larry May,2015-08-27 In this the first major philosophical study of contingent pacifism Larry May offers a new account of pacifism from within the Just War tradition Written in a non technical style the book features real life examples from contemporary wars and applies a variety of approaches ranging from traditional pacifism and human rights to international law and conscientious objection May considers a variety of thinkers and theories including Hugo Grotius Kant Socrates Seneca on restraint Tertullian on moral purity Erasmus s arguments against just war and Hobbes s conception of public conscience The guiding idea is that the possibility of a just war is conceded but not at the current time or in the foreseeable future due to the nature of contemporary armed conflict and geopolitics wars in the past are also unlikely to have been just wars This volume will interest scholars and upper level students of political philosophy philosophy of law and war studies *Ethics, Nationalism, and Just War* Henrik Syse,Gregory M Reichberg,2007-09 At a time when moral questions about armed force are at the forefront of the public s attention this volume offers insight on current challenges related to war nationalism and justice Though recent publications on military ethics abound this work adds to the debate by considering the historical background of just war theory in the Middle Ages before going on to elucidating its contemporary challenges The book covers a wide range of topics and raises issues rarely touched on in the ethics of war literature such as environmental concerns and the responsibility of bystanders Following a general introduction by Henrik Syse and Gregory M Reichberg the book is divided into two main sections The first addresses the cradle of the modern idea of just war in medieval Latin Christianity The section discusses the relevance of medieval ideas to the modern setting and explains why the study of the medieval roots of just war thinking is so important even today It includes essays on Ambrose Augustine Thomas Aquinas Christine de Pizan and Geoffrey Chaucer not focusing however solely on the contributions of these writers but also providing

an overall introduction to key concerns in medieval just war theorizing The second section of essays examines nationalism intervention preventive war war crimes and the environmental side effects of war All of these topics are treated within the relevant theoretical contexts thus providing a rich overview of the state of the debate While staying within the framework of a post 9 11 context and raising several issues of relevance to the discussion about terrorism this section also highlights several topics that have been overshadowed by the war on terror but which merit attention in their own right One of the most comprehensive works on the subject Ethics Nationalism and Just War is an important and accessible text for students and scholars alike Henrik Syse is a senior research fellow at the International Peace Research Institute Oslo PRIO Gregory M Reichberg also senior research fellow at PRIO heads the institute s program on Ethics Norms and Identities They are coeditors of The Ethics of War Classic and Contemporary Readings and have both published and taught widely on issues related to political thought and the ethics of armed force In addition to the editors contributors are J Peter Burgess Andreas F llesdal Kate L Forhan Phillip Gray Dieter Janssen James Turner Johnson James Meernik Gerson Moreno Riano Anne Julie Semb Dan Smith Arne Johan Vetlesen and John von Heyking PRAISE FOR THE BOOK A unique and significant contribution to the field of just war thinking The range and depth of the historical perspective and the precise applications to contemporary issues make it a truly useful collection of essays This book has the potential to be the state of the art comprehensive book on just war John P Hittinger University of St Thomas Houston A superb collection of essays Readers will find both deep historical grounding for the just war tradition in late Hellenistic and Medieval writers and essays on pressing contemporary issues of the environmental impact of war the status of non combatants in modern war the moral and legal status of the nation state and international institutions such as the UN and the theory and practice of preventive war Martin L Cook U S Air Force Academy P acked with great ideas and provocative discussion This is an excellent addition to the field and to any just war related library William Kautt Journal of Military History E xcellent In approaching the just war tradition in this manner the authors and editors of this volume have recovered something of that tradition s diversity and vitality B y emphasizing the protean nature and op

New Interventionist Just War Theory Jordy Rocheleau, 2021-11-22 This book offers a systematic critique of recent interventionist just war theories which have made the recourse to force easier to justify The work argues that these theories including neo traditionalist prerogatives to national leaders and a cosmopolitan human rights paradigm offer criteria for war that are insufficient in principle and dangerous in practice Drawing on a plurality of moral considerations the book recommends a modified legalist national defense paradigm which includes an atrocity threshold for humanitarian intervention and a legitimate authorization requirement The plausibility of this restrictive framework is applied to case studies including the long wars in Iraq and Afghanistan ongoing targeted killing and possible interventions in Syria and elsewhere Various arguments which seek to loosen the criteria for war are also systematically analyzed and criticized This book will be of much interest to students of just war theory military history ethics political

philosophy and international relations **Interpretations of Conflict** Richard B. Miller, 1991-11-15 Miller brings together the opposed traditions of pacifism and just war theory and puts them into a much needed dialogue on the ethics of war
Publisher

Criterion Reason Necessity Present War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Criterion Reason Necessity Present War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Criterion Reason Necessity Present War has opened up a world of possibilities. Downloading Criterion Reason Necessity Present War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Criterion Reason Necessity Present War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Criterion Reason Necessity Present War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Criterion Reason Necessity Present War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Criterion Reason Necessity Present War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Criterion Reason Necessity Present War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Criterion Reason Necessity Present War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Criterion Reason Necessity Present War is one of the best book in our library for free trial. We provide copy of Criterion Reason Necessity Present War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Criterion Reason Necessity Present War. Where to download Criterion Reason Necessity Present War online for free? Are you looking for Criterion Reason Necessity Present War PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Criterion Reason Necessity Present War. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Criterion Reason Necessity Present War are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that

there are specific sites catered to different product types or categories, brands or niches related with Criterion Reason Necessity Present War. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book?
