Crossed Comic:

Crossed Volume 1 Garth Ennis, 2006-04-20 The world's been overrun by sadistic homicidal maniacs. A small band of survivors crosses what's left of America in constant danger and trying to hold onto what little humanity they can. In the blink of an eye, humanity is lost and the Crossed are upon us. Men, women, and children alike fall victim to the mystery infection that makes killers out of parents and rapists out of lovers. Ruthless, berserk, and evil beyond measure, these cackling demons spread their plague across the Earth, bringing humanity to near extinction. Now a small band of survivors make their cautious way across a deserted America, existing in a state of constant terror. The only thing they have in common is their determination to survive, but in this frightening new world, survival has a cost all its own. How far will they go to stay alive and can they do so without become monsters themselves.

Crossed #0 Garth Ennis, *Crossed* is Garth Ennis' horrifically visceral exploration of the pure evil that humans are truly capable of indulging. Imagine for a moment the worst crimes against humanity. Picture the cruelest affronts to decency. Conjure your darkest nightmares and then realize it could all be so much worse. When civilization crumbles in one terrifying moment, when people are gleefully breaking into unthinkable acts of violence all around you when everyone you love has died screaming in agony. What do you do? There is no help. There is no hope. There is no escape. There are only the Crossed.

Crossed: Wish You Were Here Volume 1 Simon Spurrier, 2012-10-09 The runaway success web comic *CrossedComic.com* featuring an island of uninfected survivors in a world overrun by psychopaths. Think *The Walking Dead* meets *Texas Chainsaw Massacre*. A contagion or a curse has decimated the planet. Marked with a bloody cross, the Infected are driven to indulge their sickest desires. In this world of psychos, savages, and sexual predators, the few remaining uninfected learn to keep moving, endlessly fleeing fate. This is the story of those who refused. Those who are too desperate, too angry, or too broken to hide from horror. It's the story of a comic book writer who witnessed the downfall of London and now finds himself in the midst of a new community, a new start on a barren island off the Scottish coast. Pretending just for a while that he's safe, that he's useful, that he has a future. It won't last. There's no sanctuary. No fighting back. No hope. There's only the Crossed.

The Horror Comic Never Dies Michael Walton, 2019-02-14 Horror comics were among the first comic books published, ghastly tales that soon developed an avid young readership along with a bad reputation. Parent groups, psychologists, even the United States government joined in a crusade to wipe out the horror comics industry, and they almost succeeded. Yet the genre survived and flourished from the 1950s to today. This history covers the tribulations endured by horror comics creators and the broader impact on the comics industry. The genre's ultimate success helped launch the careers of many of the biggest names in comics. Their stories and the stories of other key players are included along with a few surprises.

Crossed, Vol. 2 David Lapham, 2011-10-04 A global outbreak has turned the populace to homicidal maniacs, but some people were just born evil. The surviving members of the Pratt family are about to confront the evil within themselves. In one terrifying moment, civilization crumbled. An outbreak of

insanity swept across the planet turning millions of people into the homicidal maniacs known as the Crossed But from their isolated horse ranch the Pratt family of North Carolina remain uninfected and defiant Bonded together as generations of working living and learning together they rely on Joe the family patriarch to see them through the apocalypse But the Pratt family has a deep dark secret one that threatens to tear them apart even under the constant threat of the murderous hordes See some men are turned to Crossed but others others are just born evil Eighteen year old daughter Adaline will soon discover which breed is worse David Lapham the critically acclaimed creator of the gritty STRAY BULLETS series delivers a tale so twisted so shocking it more than earns its place next to the original runaway bestseller CROSSED VOLUME 1 by superstar writer Garth Ennis
