William Walton Carolyn J. Smith, 1988-11-21 This bio bibliography of one the most important contemporary British composers begins with a brief biographical sketch Works and first performances are listed alphabetically by title and each entry is followed by the relevant bibliographic citation numbers The discography includes sound recordings in all formats The major portion of the work the bibliography is divided into articles and reviews books theses and dissertations articles by Walton and films The archival section lists collections of Walton s music manuscripts letters and miscellanea Two appendices contain a chronological listing of works and first performances and a works lists arranged by classification An index of individuals and performance ensembles completes the work which will serve as a significant addition to university libraries and departments of music William Turner Walton 1902 1983 was born in Oldham England He showed an early talent for composition and had written several significant works by 1916 Following his failure to graduate from Oxford Walton took up residence with the Sitwell family in Chelsea and embarked upon one of the most productive phases of his career Acclaimed as a milestone in British choral music Belshazzar s Feast premiered in 1931 and its instant success established Walton firmly among the ranks of important contemporary British composers Subsequently Walton began work on his Symphony No 1 and simultaneously wrote his first film score one of many first class scores he composed for movies including As You Like It Henry V and Chekhov s Three Sisters Walton traveled to Argentina in 1948 where he met and married his wife Susana The couple returned to London but soon relocated to a villa on Ischia an island off the coast of Naples Another fruitful period ensued marked by many important commissions The composer died in 1983 and a foundation was later established for the purpose of transforming the villa into a performing arts center William Walton Neil Tierney, 1984 Sir William Walton s character was both complex and baffling Although hailed as one of the musical giants of the twentieth century he often seemed to regard his own achievements with a brooding unease and scepticism He could by turns be aggressive or gentle moody or high spirited with a satirical humour that spared neither his friends nor his enemies In his younger days he loved two beautiful aristocratic women one a German baroness the other a chatelaine of English society yet he was born of middle class parents in Oldham and until the Sitwells adopted him knew little of the glittering sophisticated world which they inhabited In the realm of music he was largely self taught and remained all his life an indifferent performer on the piano but his technical brilliance in such works as Belshazzar s Feast and the Violin Concerto rivalled that of the greatest masters of the art Although he made no attempt to create a new compositional style or language his music spiced by harmonic asperities

and many ingenious touches came to be regarded as belonging to the European mainstream At its best it was never less than magnificent The need for a carefully researched and clear sighted biography of Walton cannot be exaggerated Neil Tierney has provided one giving a vivid often extremely moving portrait of Sir William as composer and man His book draws upon a wide range of material including previously unpublished letters some written by Walton himself and the reminiscences of friends and collaborators who knew him intimately With its comprehensive analyses of all Walton s works this book will not only captivate the general reader but also provide a valuable source of information for the musical scholar or student Dust jacket **Schwann Opus** ,1994 **Music Library Association Catalog of Cards for Printed Music, 1953-1972** Music Library Association,1974 **Instrumental Music** Michael Aston,2003-09-25 The volume contains all the works for piano solo piano duet two pianos and works for organ and guitar It includes an introduction textual notes and facsimiles **Opus** ,1990
