5.2 PASSING

Participants who pass the Level 1 Certificate test by scoring 35/45 (77%) or higher will be awarded a CrossFit Level 1 Trainer Certificate, a sample of which is displayed below:

Designation and Meaning:

The issuance of a CrossFit Level 1 Trainer Certificate confirms the participant has met all program requisites including passing the written test.

Attainment of the certificate means individuals have demonstrated a basic understanding of the CrossFit fundamentals, both concepts and movements, presented in the CrossFit Level 1 Trainer Course. This can be a starting point to begin training others and continue successful development as a CrossFit Trainer. It affords the designation of CrossFit Level 1 Trainer (CF-L1), meets CrossFit's requirement for training others using CrossFit methods, and provides the opportunity to apply for affiliation with CrossFit.

Certificates of Attendance do not grant any of these privileges.

All certificates are non-transferrable.

5.3 AUTHORIZED USE OF THE LEVEL 1 CERTIFICATE

A participant who has been awarded the CrossFit Level 1 Trainer Certificate may list the qualification on stationery, websites, business cards, and other materials as follows:

Your name, CrossFit Level 1 Trainer (CF-L1)

The CF-L1 designation does not allow for the use of CrossFit name, slogans, art work, photos, or content from the CrossFit Journal or website in any other business or promotional manner.

Only affiliation grants the legal right to use the CrossFit name for business or promotional purposes.

Certificate holders may state they are CrossFit Level 1 (CF-L1) Trainers but shall not state or imply that they are certified, registered, or licensed, nor shall they use any other titles or designations to signify the attainment of the certificate other than those identified in this Handbook.
