human life This dynamic enablement comes about when a person's soul anchors itself to the real source of life The soul is a spiritual embodiment of knowledge and emotion in man A soul is a search engine in man it seeks a resting place to which it can attach itself so it can draw out the virtues of knowledge and emotion When a person's soul is changed everything about that person takes a different route Man's nature changes only when a complex soul is achieved The soul draws from blood its ability to unite with another soul to form a complex soul Without blood the soul cannot find its resting place and cannot be changed This is why the first requirement in the salvation of man is blood And the blood of salvation needed to have different contents from the usual human blood on earth The contents of the blood of Jesus can make people live like Martians in this world Common human blood is highly wicked and only leads man to unite himself with wicked spiritual forces to form a soul that is dominated by evil **Clean and Free** Ronald Morse,2020-10-29 There is a crisis in the world today and that is the crisis of addiction It is not new nor even extraordinary but common and universal in the history of mankind The world is always looking for answers for reasons and solutions to all of our problems There is a new remedy out there for everything it seems and they all claim to have the sure thing The problem is that too many of them don't work at all and too many more simply miss the mark They don't really understand what the root of the problem is and therefore cannot find the solution This is evident in the war on addiction what it is and whom it affects Where can we find the truth of what it is and its root cause and how to defeat it The Bible is the most amazing book in the history of the world It not only tells us what our problem is but also how it came to be what its consequences are and even how it can be corrected The answers are all there if we are careful to look This work is a biblical understanding of addictive behaviors and how in just a few steps we can identify them and overcome them God loves you and wants you to be free and for your life and family to be restored He came to this fallen world in the person of Jesus Christ to make us clean and free Unraveling Revelation Bill Gibbs,2017-07-20 Have you ever read even a part of the book of Revelation and went away wondering what it meant or what God intended by including this in his Bible This book is intended to help every layperson or preacher better understand the meaning and intention of this final book of the Bible
