*Creation, Un-creation, Re-creation* Joseph Blenkinsopp, 2011-04-21 A new commentary volume looking at the theological and literary motivations of Genesis 1 11

**Allies or Aliens?** Michael S. Moore, 2025-08-19 Contemporary nativism gathers much of its steam from what many Westerners fear to be a free for all of desperate refugees invading peaceful Western countries to seek shelter from dictatorial violence and civil war but in antiquity its impact is much more difficult to measure given a that so few extant texts overtly or covertly reference it and b that so many of those which do are inadequately incompetently even speciously interpreted Complicating this is the fact that at root the allies aliens polarity refers not simply to conflict between cultures but to the challenge of measuring the gaps between cultures what linguists call translation Allies or Aliens examines six Jewish diaspora texts and the traditions in their wake engaging them intertextually in order to a identify the response s to nativistic prejudice featured in each text b ascertain the effectiveness of each response and c suggest which response s might best help readers struggling to deal with nativistic prejudice today

**Charged with the Glory of God** Caroline Batchelder, 2023-07-26 Isaiah s servant songs reveal a true and better Adam In Charged with the Glory of God Caroline Batchelder provides a synchronic theological and canonical reading of the four Servant Songs in Isaiah 42 1 9 49 1 13 50 3 11 52 13 53 12 showing how they relate to one another and the message of the prophetic book Reading Isaiah as a compositional unity in conversation with other texts such as Genesis results in a coherent presentation of the mysterious servant The polemic against idolatry reveals rebellious Israel to be false imagers of God In contrast Isaiah s servant is an ideal embodiment of Yahweh s image and likeness Thus the servant is a paradigm for those who wish to recapture and realize God s good creation purposes for all humanity The servant poems are not only a call to reorient oneself as a servant towards God and his creation but also a map and means for doing so In this study Batchelder offers fresh insights from Isaiah for understanding God s true image and its idolatrous counterfeits

**Praise or Performance?** Michael S. Moore, 2025-03-25 Today there are many books about worship and many books about the book of Psalms but only a few books about the relationship between the two Contemporary studies of the Psalter are in flux between those focused upon each psalm in its literary historical environment micro structuralists and those focused upon the Psalter as a great literary text comparable to other great texts from the ancient world macro structuralists Contemporary worship is also in flux between traditionalists who want to sing hymns and progressives who want to experience contemporary Christian music the so called worship wars Praise or Performance seeks to open a dialogue between Psalms scholars on the one hand and Western worshippers on the other in the hope of sensitizing each group to their common theological interests

**Hiddushim** Michael Fishbane, Arthur Green, Jonathan D. Sarna, 2022-05-17 A Centennial writes Hebrew College President Rabbi Sharon Cohen Anisfeld is an invitation to reflect on the last century of teaching and learning at Hebrew College to ask ourselves what has changed and what has endured to explore accomplishments and share ongoing struggles to articulate our

aspirations for the next one hundred years A compilation of captivating essays on Jewish studies alongside powerful personal memoirs from the College's earliest years until today iddushim captures and celebrates the spirit of a learning community connected to its source and brimming with spiritual and intellectual creativity as it carries forward its legacy of rootedness and renewal into the future

**Genesis 1-11** Joseph Blenkinsopp, 1968 **The Good Creator** Shamai Gelernder, 1997 This work presents the Creation stories of Genesis 1-11 as an account of the mutual relationship between God and humankind Using a close reading methodology the author provides a literary and exegetical analysis of Genesis 1-11 The examination of the text's literary artistry evokes a re-examination of some widely accepted assumptions about this text's theological perspective The sequence of the narrative is seen as motivated by God's inner struggle with two conflicting tendencies God's ultimate goodness and the principle of freedom of choice The author postulates that the question behind all of these stories is the extent to which God prefers the freedom of choice to all other virtues This question is seen as being pushed to escalating extremes reaching the brink of absurdity in the Tower and City narrative Thus the principle of freedom of choice and its repeated examination in the context of various conflicts forms the central thematic axis along which the Creation narrative unfolds and through which a coherent theology emerges which treats this principle as the most exalted of moral values

The Days of Creation Andrew J. Brown, 2019-05-21 The Days of Creation examines the history of Christian interpretation of the seven day framework of Genesis 1:1-2:3 in the Hebrew Bible Old Testament from the post-apostolic era to the debates surrounding Essays and Reviews 1860 Included in the survey are patristic medieval Renaissance Reformation eighteenth century Enlightenment and finally early to mid-nineteenth century interpretations of the days of creation The author shows that readings of Genesis 1:1-2:3 in the modern era have much deeper roots than is sometimes realized The day-age scheme has roots in Augustine's figurative creation days the world-week historical scheme Renaissance Platonism and Newtonian science while the literal alternative of the gap theory combines ancient literal interpretation with chaos concepts derived from Greco-Roman myths and interpreted through a geological lens Early treatments of this text are poorly understood because of their very different philosophical and theological contexts Hasty appropriation of ancient precedents as support for modern interpretations often overlooks or oversimplifies this difference Changing ideas and exploration in the early Modern era undermined the dominance of this text so that by the time of Goodwin's essay in Essays and Reviews Genesis 1:1-2:3 was already well on the way to its present intellectual marginalization This study enables an insight into the mighty career of a biblical text of seminal importance and fills a significant niche in reception historical research

Studies in Genesis 1-11 R. David Skinner, 2018-11-19 R. David Skinner presents a captivating verse-by-verse commentary on Genesis 1-11 using a literal interpretation of Scripture with analyses of evolutionary thought Skinner's commentary is an essential resource for students pastors Bible teachers and all believers who want to share boldly and defend their faith Edited by Michael R. Spradlin

**Genesis 1 - 11 a Window Into the Past** Ronald SNIDER, 2020-02-24 This book is a commentary of

the first natural division of the Book of Genesis Chapters 1 through 11 from the creation of the world to God's covenant with Abraham the father of the Hebrew people I've attempted to relate in as simple and understandable terms as possible the greatest story ever told and certainly one of the most fascinating I want to share the result of my intensive investigations into the creation accounts of Genesis chapters 1 and 2 the fascinating story of Noah's Flood and the catastrophic events that led to it to the call of Abraham in Chapter 11 I've arranged the study commentary into a daily devotional type format that will complete at the end of Chapter 11 on day 365 of any calendar year Not only can you begin the study on any day of the week and complete the entire study in 365 lessons that take on an average of 90 seconds to read but each week the studies are broken up on the 6th day by an encouraging faith building devotional that I've written and compiled from my Facebook blogs over the last several years From the creation of the world the fall of Adam and Eve fallen angels the Nephilim and Noah's flood to God's covenant with Abraham and His chosen people this book is a MUST READ for anyone interested in where we came from as a people and where we're heading according to the ancient prophecies Not only will this commentary devotional answer such questions as Were Adam and Eve really the first persons on earth and where did Cain get his wife But also did fallen angels really come to earth and corrupt almost every living thing and bring about gigantic human mutants and fantastic beasts that resembled ancient mythological creatures And was every living thing that was not on the Ark destroyed or did some life forms survive the catastrophic flood Where did the dove get the olive branch Many good scholarly commentaries have been written on the Book of Genesis but few consult the ancient non canonical books of Enoch Jubilee and Jasher as supplements to the biblical account These wonderful books not only fill in the blanks that Moses was not told to record but they when synchronized with the Biblical account paint a picture of unprecedented sin degradation and corruption that this world has never seen The Days of Noah which caused God to destroy the earth with a catastrophic flood and a day in which our Lord prophesied would return again in some form before His Second Coming Utilizing these once canonical historical documents that authenticate and give weight to the Bible's narrative we'll see that the truth may really be stranger than fiction This Devotional Commentary will reveal many interesting perhaps even unbelievable facts about the pre flood world that you have never heard of before but are authenticated many times by the Bible and other historical accounts that have been overlooked sometimes intentionally Many of the daily studies are divided into several continued studies I did this so that none of the substantial and important material of each verse or topic would have to be left out simply to have a complete stand alone lesson each day Remember this is a verse by verse commentary devotional guide and as such adequate time must be spent on the commentary portion of each verse whether that can be accomplished in one lesson or in several This book really is a labor of love presented with a solemn prayer that those who read and study its contents are both enlightened encouraged and most of all brought into a more dynamic and intimately closer relationship with our awesome Creator
