Critical Issues For Student Affairs Challenges And Opportunities:

Critical Issues for Student Affairs Arthur Sandeen, Margaret J. Barr, 2014-03-14 Student affairs is now part of the management and administrative structure of almost every college and university in the United States Professional staff working under the banner of student affairs are engaged in a wide variety of educational support and service functions Measured by almost any standard today's student affairs profession has never been stronger There are still however a number of critical issues that must be debated and discussed if the student affairs profession is to move forward in the years ahead Critical Issues for Student Affairs identifies the most vital issues currently confronting the student affairs profession Each chapter in this important volume focuses on a specific issue and presents a background a summary of related research and writing an examination of the issue related references and a list of suggestions for further discussion Perspectives on Student Affairs in South Africa Speckman, McGlory, Mandew, Martin, 2014-07-17 The goal of Perspectives on Student Affairs in South Africa is to generate interest in student affairs in South Africa The papers contained herein are based on best practice local experience and well researched international and local theories The papers in this book deal with matters pertaining to international and national trends in student affairs academic development access and retention counseling and material support for students coming from disadvantaged backgrounds They are linked to national and international developments as described in the first two papers This publication will assist both young and experienced practitioners as they grow into their task of developing the students entrusted to them All contributors are South Africans with a great deal of experience in student affairs and all are committed to the advancement of student affairs in South Africa The editors are former heads of student affairs portfolios at two leading South African universities **Journal of Student Affairs in Africa Volume 1, Issues 1 and 2**, 2014-02-28 The Journal of Student Affairs in Africa JSAA is an independent peer reviewed multi disciplinary open access academic journal that publishes scholarly research and reflective discussions about the theory and practice of student affairs in Africa The JSAA strives to be the foremost academic journal dealing with the theory and practice of the student affairs domain in universities on the African continent and an indispensable resource for national policy makers the executive leadership of universities and colleges dealing with student affairs deans of students and other senior student affairs professionals as well as institutional researchers and academics and students focused on the field of higher education studies and student affairs **Creating Multicultural Change on Campus** Raechele L. Pope, Amy L. Reynolds, John A. Mueller, 2014-06-16 Embrace the best practices for initiating multicultural change in individuals groups and institutions Higher education institutions have begun to take steps toward addressing multicultural issues on campuses but more often than not those in charge of the task have received little to no training in the issues that are paramount in serving culturally diverse students Creating Multicultural Change on Campus is a response to this problem offering new conceptualizations and presenting practical strategies and best practices for higher education professionals who want to

foster the awareness knowledge and skills necessary for multicultural change on an institutional level In *Creating Multicultural Change on Campus* the authors of the classic text *Multicultural Competence in Student Affairs* delve deep into key concepts in multicultural organizational development guiding readers who want to enact change not just at the individual level but also at the group and institutional levels Readers will be introduced to frameworks that are crucial for creating inclusive welcoming and affirming campus environments You ll also find comprehensive examples from several institutions along with specific examples of effective multicultural practices that are useful for real world situations The book Provides the strategies frameworks and expert guidance for recognizing and addressing multicultural issues in institutions of higher learning Offers a rich understanding of both Multicultural Organizational Development MCOB and the Multicultural Change Intervention Matrix MCIM and how these models are important for evaluating environments and outcomes Is appropriate for those who serve students directly as well as higher education leaders and administrators who create professional development programs Is designed as a practical guide and filled with specific examples to help readers apply strategies to their own campuses A much needed resource this book can help lead institutions toward meaningful action that will have a positive impact for all individuals in a student body and the professionals who serve them *Enhancing Leadership in Colleges and Universities* Arthur Sandeen,2011 *Fostering Student Success in the Campus Community* Gary L. Kramer,2009-11-24 This book presents and examines key issues not only on addressing changing student demographics and needs but also on aligning institutional and student expectations connecting student oriented services systemically organizing and fostering student services for learning and creating and delivering services for students to achieve success on campus While the essential supportive role student services plays in student retention and success is generally understood this book provides several constructive approaches and key indicators that service providers can use to challenge their campuses for better results in achieving student success While this book does not define what student success is for all institutions or suggest that one size fits all institutions it does emphasize that student learning and achieving student success on campus is everyone s business The chapter contributors share their wisdom on and experience in creating a student centered culture and emphasize student services as the primary approach for putting students first in the campus community Written for student service providers academic departments and others responsible for the support direction and coordination of services to students vice presidents deans directors and department chairs readers will learn how to encourage a variety of desired outcomes including student persistence satisfaction learning and personal development Also included is a systems perspective that will help readers evaluate and align services for students with the goals of both the students and the institution *Environments for Student Growth and Development* Lisa Janicke Hinchliffe,Melissa Autumn Wong,2012 Librarians and student affairs professionals share a commitment to student success and holistic development collaborative strategies and reflective practice *Environments for Student Success and Development* explores how librarians

and student affairs professionals partner through programming and other activities in order to create stronger campus environments for student learning growth and development Edited by Lisa Janicke Hinchliffe and Melissa Autumn Wong the book includes an introduction to student affairs and student development followed by case studies of successful collaborations co authored by student affairs and library professionals Also included is a selected bibliography of publications on student affairs strategies for collaboration and library and student affairs collaborations
