Dead Is Just A Rumor:

Dead Is Just a Rumor Marlene Perez, 2010-07-21 Thrills and chills descend on the town of Nightshade during Halloween in this fourth book in the series following *Dead Is So Last Year*. As the creepy little town of Nightshade prepares to celebrate its 200th anniversary on Halloween, of course many of its paranormal residents are receiving mysterious blackmail letters. Psychic teen Daisy Giordano and her sisters set out to find out who is behind the threats. But launching an investigation isn't easy for Daisy with her overprotective father watching her every move. Though she is happy to have him back after the years he spent being held captive by an anti-paranormal group called the Scourge, Dad is having a difficult time adjusting to home life and the fact that his little girl is now a senior in high school. He even disapproves of Daisy's boyfriend Ryan. Can their relationship take the strain? And Daisy's got even more on her plate. A talented amateur chef, she has won cooking lessons with celebrity chef Circe Silvertongue. After nosing around with a little help from Circe's pet pig, Daisy begins to suspect the temperamental chef's secrets aren't only in her ingredients. Praise for the *Dead Is* series: Perez delivers a wise-cracking, boy-lusting, determined sleuth of a high school protagonist; this quick, lighter-than-air spoof of the undead cheerleaders and popularity is pure pleasure. Publishers Weekly. A fun ride from start to finish. Perez's smart and sassy style soars. Mary E. Pearson, author of the *Remnant Chronicles*. A quick, lively romp. Teens looking for a breezy read will find plenty to like here. Booklist. **Dead is Just a Rumor** Marlene Perez, 2010. Psychic teen Daisy Giordano has her hands full trying to find out who is behind the blackmail letters being sent to paranormal residents of Nightshade while also worrying about her werewolf boyfriend going away to college and the possibly lethal cooking lessons she is taking with a sinister chef.

Memoirs of the Harvard Dead in the War Against Germany Mark Antony De Wolfe Howe, 1922 **Why the Dean Is Dead** William Urban, 2013-05-17 Briarpatch College has all the problems of American higher education in the nineties at least as many as can be packed onto one small semirural campus. Unfortunately, Briarpatch also has had a multitude of other problems the administration would rather not admit. In the last few years, the academic dean has drowned, the president has died suspiciously, and one scandal after another has rocked the college. All events allegedly instigated by the late dean. Now with a new president in place and the college operating on a somewhat normal routine again, no one has any idea that in just a short time the discovery of the librarians' body will upset everything and everyone. Mirabel Gates was a person with no friends but also no particular enemies. Consequently, she appeared unlikely to be at the center of scandals that threaten President Flora Boaters plans to push the college off the bottom of the US News popularity poll. As Professor Donahue and Chief Biggs begin investigating the librarians' death, they begin to suspect once again that the late dean is somehow involved. In this continuing mystery, murders, scandals, and the complications of academic fads shake the foundation of a small college as everyone wonders who will be the next victim. *Dead Is a Killer Tune* Marlene Perez, 2012-09-04 High school freshman Jessica Walsh is a Virago, a woman warrior who must protect her hometown from danger.
