AVOID POWER LINES

- Serious injury or death can result if the machine or load attachments, or lifting loads are not kept a safe distance from electrical lines.
- If operation near power lines is required, be sure to contact the utility company beforehand to take appropriate measures.
- Never any part of the machine, including the hook or load, approach power lines nearer than specified. For details, refer to the BASIC CRANE OPERATION section in this manual.
- If operation near power lines is unavoidable, be sure to have a safety person observe crane proximity to power lines.
- Never allow any bystanders to come in the work site.
- What ground all exposed the area that could cause any person or it to be affected by electric shock. Keep all bystanders or co-workers away from the site. For details, refer to the BASIC CRANE OPERATION section in this manual.
