Critical Race Narratives A Study Of Race Rhetoric And Injury Critical America:

Critical Race Narratives Carl Gutierrez-Jones, 2001-08-01 The beating of Rodney King the killing of Amadou Diallo and the LAPD Rampart Scandal these events have been interpreted by the courts the media and the public in dramatically conflicting ways *Critical Race Narratives* examines what is at stake in these conflicts and in so doing rethinks racial strife in the United States as a highly charged struggle over different methods of reading and writing Focusing in particular on the practice and theorization of narrative strategies Gutierrez Jones engages many of the most influential texts in the recent race debates including *The Bell Curve* *America in Black and White* *The Alchemy of Race and Rights* and *The Mismeasure of Man* In the process *Critical Race Narratives* pursues key questions posed by the texts as they work within or against disciplinary expectations can critical engagements with narrative enable a more democratic dialogue regarding race what promise does such experimentation hold for working through the traumatic legacy of racism in the United States Throughout *Critical Race Narratives* initiates a timely dialogue between race focused narrative experiment in scholarly writing and similar work in literary texts and popular culture

Critical Race Narratives Carl Gutierrez-Jones, 2001-08 An immensely valuable contribution As the last generation of witnesses to the Holocaust testify to its horrors they must also testify to its heroes those who risked all to save lives These movingly told stories restore our faith in the human spirit William Shirer The mystery of the rescue phenomenon will probably always elude us As the rescuers narratives in this remarkable volume show the acts of saving Jews seemed spontaneous and natural and thus the mystery of the rescue act begins to unravel radiantly The insights which this interdisciplinary collection of essays subtly pieces together show in unique fashion the preconditions or the possibilities of individual and collective courage Dennis B Klein author of *Jewish Origins of the Psychoanalytic Movement* A distinguished group of internationally known individuals Jews and non Jews rescuers and rescued offer their enriching first person accounts and reflections that explore the question Why did the Danes risk their lives to rescue the Jewish population

The Derrick Bell Reader Derrick Bell, 2005-08 An authoritative collection of writings from a prominent public intellectual

[Saving Our Children from the First Amendment](#) Kevin W. Saunders, 2006-03 The First Amendment is vital to our political system our cultural institutions and our routine social interactions with others In this provocative book Kevin Saunders asserts that freedom of expression can be very harmful to our children making it more likely that they will be the perpetrators or victims of violence will grow up as racists or will use alcohol or tobacco *Saving Our Children from the First Amendment* examines both the value and cost of free expression in America demonstrating how an unregulated flow of information can be detrimental to youth While the great value of the First Amendment is found in its protection of our most important political freedoms this is far more significant for adults who can fully grasp and benefit from the freedom of expression than for children Constitutional prohibitions on distributing sexual materials to children Saunders proposes should be expanded to include violent vulgar or profane materials as well as music that contains hate speech Saunders offers

an insightful meditation on the problem of protecting our children from the negative effects of freedom of expression without curtailing First Amendment rights for adults *Discrimination by Default* Lu-in Wang, 2008-04 Drawing on social psychology to detail three ways in which unconscious assumptions can lead to discrimination this book demonstrates how these dynamics interact in medical care to produce an invisible self fulfilling and self perpetuating prophecy of racial disparity

Truth, Autonomy, and Speech Susan Williams, 2004-06-14 A feminist approach to first amendment law **Legal Education and the Reproduction of Hierarchy** Duncan Kennedy, 2007-03 This well known underground classic critique of legal education is available for the first time in book form This edition contains commentary by leading legal educators

Critical Rhetorics of Race Michael G. Lacy, Kent A. Ono, 2011 In this collection scholars seek to examine the complicated and contradictory terrain of the rhetorics of race while moving the field of communication in a more intellectually productive direction **Moral Imperialism** Berta Esperanza Hernández-Truyol, 2002-10-27 In the controversy over female genital mutilation Congress was quick to condemn practices throughout Africa and the Middle East and to take action criminalizing the practice domestically Moral Imperialism sets out to bring an international human rights framework to the analysis of current international and domestic legal political and cultural crises **The Silicon Valley of Dreams** David Pellow, Lisa Sun-Hee Park, 2002-12-22 Examines the environmental racism at the foundation of the Silicon Valley economy Next to the nuclear industry the largest producer of contaminants in the air land and water is the electronics industry Silicon Valley hosts the highest density of Superfund sites anywhere in the nation and leads the country in the number of temporary workers per capita and in workforce gender inequities Silicon Valley offers a sobering illustration of environmental inequality and other problems that are increasingly linked to the globalization of the world's economies In *The Silicon Valley of Dreams* the authors take a hard look at the high tech region of Silicon Valley to examine environmental racism within the context of immigrant patterns labor markets and the historical patterns of colonialism One cannot understand Silicon Valley or the high tech global economy in general they contend without also understanding the role people of color play in the labor force working in the electronic industry's toxic environments These toxic work environments produce chemical pollution that in turn disrupts the ecosystems of surrounding communities inhabited by people of color and immigrants The authors trace the origins of this exploitation and provide a new understanding of the present day struggles for occupational health and safety *The Silicon Valley of Dreams* will be critical reading for students and scholars in ethnic studies immigration urban studies gender studies social movements and the environment as well as activists and policy makers working to address the needs of workers communities and industry
