Cross Border Governance In Asia Regional Issues And Mechanisms Trends Innovations In Governance:

Cross-border Governance in Asia G. Shabbir Cheema, Christopher A. McNally, Vesselin Popovski, 2011 This edited book is a timely contribution to the discussion on globalization within the Asia and Pacific Region What makes this volume compelling is its link to the structures of governance through which these players can play a useful role James H Spencer Associate Professor Urban Planning Political Science University of Hawai i at Manoa Democratic Local Governance G. Shabbir Cheema, 2013 Asian countries have introduced major reforms and new institutional mechanisms in recent years to promote the engagement of elected local governments civil society and the private sector This book examines emerging issues in democratic local governance and factors that influenced the impetus for and the substance of reforms It asks the following questions What have been the challenges in designing and implementing decentralization policies and programs What are the constraints on strengthening citizen participation Can reforms promote gender and rights perspectives in local governance What is the role of local government in service delivery and access How effective are the mechanisms for accountability and transparency in local governance What are the driving forces influencing democratic local governance reform The book addresses these questions as it discusses studies from theoretical and comparative perspectives on specific issues as well as myriad cases across Asia often dealing with country specific reforms Building Trust in Government G. Shabbir Cheema, Vesselin Popovski, 2010 The ability of governments and the global community to achieve the Millennium Development Goals ensure security and promote adherence to basic standards of human rights depends on people s trust in their government However public trust in government and political institutions has been declining in both developing and developed countries in the new millennium One of the challenges in promoting trust in government is to engage citizens especially the marginalized groups and the poor into the policy process to ensure that governance is truly representative participatory and benefits all Engaging Civil Society G. Shabbir Cheema, Vesselin Popovski, 2010 This book looks at the changing roles of civil society in global and national governance It identifies factors that influence the effectiveness of civil society in promoting democratic governance **Weak States, Strong Societies** Amin Saikal, 2015-11-27 Since the disintegration of the Soviet Union and the end of the Cold War the previously well established organisation of world politics has been thrown into disarray While during the Cold War the bipolarity of the world gave other powers a defined structure within which to vie for power influence and material wealth the current global political landscape has been transformed by a diffusion of power As a result the world has seen the rise of sub national or quasi non state actors such as Hezbollah al Qaeda and the movement that calls itself Islamic State or ISIS These dramatic geopolitical shifts have heavily impacted state society relationships power and authority in the international system Weak States Strong Societies analyses the effect of these developments on the new world order arguing that the framework of weak state strong society appears even more applicable to the contemporary global landscape than it did during the Cold War Focusing on a range of regional contexts the book

explores what constitutes a weak or strong state It will be essential reading for specialists in politics and international relations whether students or academic researchers

World-Regional Social Policy and Global Governance Bob Deacon, Maria Cristina Macovei, Luk Van Langenhove, Nicola Yeates, 2009-12-04 This volume explores the case for and the prospects of the development of world regional social policies as integral elements of a pluralistic equitable and effective system of global governance Focusing on transnational regionalism this book examines the trajectory and crossing over of the three strands of scholarly analysis within the past decade which have given rise to this volume the perceived negative impact of neo liberal globalisation upon national social policy the need for but the difficulty of securing reforms in the institutions of global social governance and the increasing salience of the world regional level of governance in handling cross border issues The authors develop an intellectual and research agenda that will also inform the political development of an international programme concerned with the social policy dimensions of regional governance Combining the perspectives and collective expertise of a team of international scholars and activists the book features Theoretical and policy cases for a focus on regionalism and social policy A mapping and analysis of social policy dimensions of regional integration processes and formations in four continents An assessment of the regional dimensions of global agencies in particular of the UN ILO WHO UNESCO UNDP including the approach to regional social policy of the UN Regional Economic Commissions and Development Banks An articulation of a multi levelled conceptualisation of global social governance within which regional associations of countries plays a significant part The book will be of interest to students and scholars of social policy development studies international relations and political science especially those focused on the public policy dimensions of globalisation regionalisation and international development

Cyber Governance in China Cuihong Cai, 2025-08-01 This book conducts an in depth investigation into cyber governance in China through Chinese decision making processes policy formulation and international presence exploring how China navigates governance imperatives while fostering digital innovation in an increasingly interconnected world The book looks at the governance paradigm of cyberspace in China It examines the concepts mechanisms and practices predominantly spearheaded at the national level by the Chinese government and the extensive participation of non governmental entities It unravels China s approach to cyber governance why it diverges from Western approaches and the causal mechanisms behind these phenomena through empirical research The book also analyzes the strengths deficiencies and consequential impacts of China s cyber governance policies utilizing social science research methodologies This will be a book of interest to scholars in international relations Internet governance and China studies

Educational Research and Innovation Higher Education to 2030, Volume 2, Globalisation OECD, 2009-11-18 This book examines what challenges and opportunities globalisation is bringing to higher education and as a consequence how education might look in the future

European Union Governance in Central Asia Agha Bayramov, Marek Neuman, 2024-12-09 The edited volume attempts to critically approach EU Central Asian relations asking

whether when adopting a more sectoral governance approach the EU's transformative power vis vis the region is greater than initially argued and if so under what conditions it flourishes most It assesses whether through adopting a sectoral approach to the area of development infrastructure water management security climate change energy trade health education or any other element defining EU Central Asian relations the European Union is able to co shape this geopolitically strategic region If so what drives the EU's ability to do so if not what mitigates its potential influence This book contributes to the scholarship on the EU's external governance both empirically and theoretically Regional Economic Outlook, October 2017, Middle East and Central Asia International Monetary Fund. Middle East and Central Asia Dept.,2017-10-27 Oil exporters in the Middle East and North Africa Afghanistan and Pakistan region MENAP are continuing to adjust to lower oil prices which have dampened growth and contributed to large fiscal and external deficits
