Crossroads Lynn Fowler, 2017-07 A collection of the best entries from the 2016 Birdcatcher Books Short Story Competition based around the theme crossroads *Crossroads* Diamaya Dawn, The Lit The Lit Up Press, 2019-01-08 Life is full of decisions we make taking us along one road or down another There are moments in life unexpected or tragic or magical where unpredicted happiness can turn us from a planned path where events we hoped for are abandoned on the way and dreams are left forgotten by the roadside And sometimes the choices we make bring pain or joy in ways utterly unforeseen for ourselves and for those we love Twenty five extraordinary writers write about the pivotal decisions that influenced a life or lives as well as the consequences of those decisions and give us a short story collection to be remembered

fiction to science fiction to poetry We like to think we have a little bit of everything so that when you make your choice of what to read first when you come to that crossroad you will be taken on a journey that will fill your imagination with adventure thrills and more questions that don't have answers **Crossroads** Minnesota Humanities Center, 2019-12-12
