Chapter and Verse, Crosswords and Other Puzzles Tj Johnson,2010 TJ Johnson s latest book Chapter Verse Crosswords And Other Puzzles Genesis Book Two is the second part of a puzzle series It covers Genesis from Chapters 26 through 50 and includes a few puzzles that weren t fully reviewed in the first book which encompassed Genesis chapters 1 through 25 Many Bible Crossword books present clues which are located in various verses located throughout the entire Bible This prompts a person solving these puzzles to repeatedly search from one verse in one book to other verses in different books Old and New Testaments This can be a little unsettling unless the person already knows the answer The uniqueness of TJ s books is that her puzzles are designed to review information taken directly from specific assigned chapters and verses Further each puzzle concentrates on a particular Bible story including verses that apply to the situation being depicted ergo the title of the series Chapter Verse These books actually promise to help you review and sharpen your knowledge about a particular circumstance in Bible history which may be covered in one chapter or several chapters TJ says that you may think you know scripture that you read several days ago several weeks ago or even years before However it s recommended that you review the content often because it s so easy to forget some of the details These puzzles can be used as an alternative or addition for your personal Bible study or even for group Bible study They ve been used successfully in presentation of Bible lessons during Sunday school classes that TJ teaches She assures the puzzle lover that even though some are easy and some are challenging they all provide a degree of fun as you study the Bible *Great Old Testament Leaders* Regal Books,1995-06 [Catalog of Copyright Entries.
