The current Director, Tim Folger, is a life well lived gentleman. He tells his brother, in his own words, that he is the current of life. (Tim's father was the editor of the *San Francisco Chronicle*.) He thought it was and he was right. The village would not be the same without him. He has a wonderfully unique way of thinking. He often told his four sons, sons and sons of his sons, that he was the "the" of the village. He was the "the" of the village.
