De Tegenwoordige Staat Van Nederland

Hugh Chisholm

De Tegenwoordige Staat Van Nederland:

Tegenwoordige staat van Nederland Hendrik Blink, 1897 **The Statesman's Year-Book** S. Steinberg, 2016-12-28 The classic reference work that provides annually updated information on the countries of the world , **Nederlandsch Letterkundig Nieuwsblad** , 1843 **Statistical Sources for Social Research on Western Europe 1945-1995** Franz Rothenbacher, 2013-11-11 The intention of this book is to give a picture of the complex material that has been published in the field of social and economic statistics in Western Europe Although there are many guides bibliographies and reference books on special topics of this broad theme a general overview has been missing With this book I hope to fill this gap The frame of reference is a scientific one enabling and facilitating comparative social research on Western Europe In some respect this book enlarges and updates the bibliography written by Peter Flora *Quantitative Historical Sociology* published in *Current Sociology* in 1975 In principle this guide is an annotated bibliography of the most important printed material in the field of official statistics The legitimacy of such an approach lies in the fact that even today printed statistics are the most important form of dissemination of statistical results although microcomputers CD ROMs and the Internet have changed this situation In any case a special section on statistical databases is included for every country describing the main databases of the statistical offices Furthermore the Internet address of each international or national statistical institute is provided in the introductory paragraph This enables the reader to get fast access to online databases and supplementary online information on statistics via the Internet **Maatschappij-Belangen** , 1907 **Rijks geschiedkundige publicatiën** , 1922 De staatswetten van Nederland , 1871 **The Encyclopædia Britannica** , 1910 The Encyclopædia Britannica Hugh Chisholm, 1910
