Desolation Earth Evolution Series 1:

Anthology of the Biblical Revolution Evolution Series Michael Stansfield, 2020-02-13 As primitive civilization developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church's theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to remove the barriers that deny humanity the evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again **Ezekiel's Hierarchical**

World Stephen L. Cook, Corrine L. Patton, 2004 Can we live with the God of Ezekiel Can we relate to a God who has established a multilayered hierarchy that separates the divine from the human who creates boundaries that segregate people from the temple the priesthood and the glory of the Lord In contrast to those who suggest that Ezekiel should no longer be read as an authoritative part of the canon the essays in this volume engage Ezekiel's hierarchical world directly neither dismissing it out of hand nor accepting it uncritically By wedding theological interest and reflection with serious biblical exegesis and criticism this work helps readers to understand Ezekiel's hierarchical theology especially the book's views on creation priesthood and land It thus equips readers to form their own evaluations of the relevance of Ezekiel's theology for today Contributors include Daniel I Block Keith Carley Stephen L Cook Katheryn Pfisterer Darr Iain M Duguid Friedrich Fechter Julie Galambush Norman Habel Risa Levitt Kohn Corrine L Patton David L Petersen Baruch J Schwartz Daniel L Smith Christopher and Steven Shawn Tuell Paperback edition is available from the Society of Biblical Literature www.sbl-site.org The history of the destruction of Jerusalem, as connected with the Scripture prophecies George Wilkins, 1816

and biblical understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of

salvation and What Happened on the Cross shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts God and his greatness demonstrates his perfect love and justice as well as liberates our hearts towards him **History of the Conquest of Mexico** William Hickling Prescott,1873
