Motor City Muscle Mike Mueller, 2011-02-11 This is the high performance tale of what was undoubtedly the fastest loosest era in automotive history Through the 1960s and into the 1970s America s carmakers fought an unbridled war for street supremacy The warriors ranged from light and agile Z 28 Camaros and Boss 302 Mustangs to big block brutes like the 440 Road Runner and Stage I 455 Buick GS A few of these boulevard brawlers were closing on 500 horsepower before the insurance lobby Ralph Nader OPEC and various governmental agencies conspired to stop the madness Muscle cars all but disappeared by 1974 with only a few anemic models soldiering through the 1980s But by the 1990s thanks to vastly improved engine technology muscle cars were back with a vengeance Motor City Muscle traces the full history right up to today s new Mustang Camaro and Challenger *A People's History of Detroit* Mark Jay, Philip Conklin, 2020-04-17 Recent bouts of gentrification and investment in Detroit have led some to call it the greatest turnaround story in American history Meanwhile activists point to the city s cuts to public services water shutoffs mass foreclosures and violent police raids In *A People s History of Detroit* Mark Jay and Philip Conklin use a class framework to tell a sweeping story of Detroit from 1913 to the present embedding Motown s history in a global economic context Attending to the struggle between corporate elites and radical working class organizations Jay and Conklin outline the complex sociopolitical dynamics underlying major events in Detroit s past from the rise of Fordism and the formation of labor unions to deindustrialization and the city s recent bankruptcy They demonstrate that Detroit s history is not a tale of two cities one of wealth and development and another racked by poverty and racial violence rather it is the story of a single Detroit that operates according to capitalism s mandates
