Dialogue With Deviance The Hasidic Ethic And The Theory Of Social Contraction:

Dialogue with Deviance Mordechai Rotenberg, 1993 Mordechai Rotenberg who is well known for his work on the pessimistic impact of Protestant ethics on the Western social sciences presents here a systematic study derived from and based on Judeo Hasidic ethics Proceeding from the cabalistic Hasidic concept of contraction tzimtzum according to which God's voluntary withdrawal into Himself to evacuate space for the world serves as a model for human behavior Professor Rotenberg shows that it is not personal social construction but self and social contraction that explains how the is and the ought of society are developed and maintained

The Hasidic Psychology, 2003-11-01 Interest in the impact of ethical systems and social or religious ideologies on socio behavioral patterns is a longstanding theme in social science research While interest may have begun with Max Weber and his thesis of the relationship between the Protestant ethic and the spirit of capitalism it extends far beyond this Surprisingly few studies have delved into the socio behavioral patterns emanating from Jewish ethics This book with a new introduction by the author fills that gap As Hasidic Psychology makes clear Jewish ethics are unique in many ways especially in that they are essentially other centered Man's ability to affect his own future and interpersonal relations are explained according to the theory of contraction popularized in Hasidic thought God by contracting Himself to evacuate space for the human world bestowed upon man the power and responsibility to determine his own future and even affect God's disposition In the first part of the book the sociological structural concept of mono versus multiple ideal labeling is introduced This concept refers to a social system in which diverse material and spiritual actualization patterns are structurally introduced as equal social ideals In the second part basic tenets of classic interaction and socialization are compared to the interpersonal perspective and the contraction theory is explained as a process of mutual emulation whereby father and son affect each other In the third part a functional approach to deviance is developed through the Hasidic process known as ascend via descend

Hasidic Commentary on the Torah Ora Wiskind-Elper, 2018-03-13 Hasidism a movement of religious awakening and social reform originated in the mid eighteenth century After two and a half centuries of crisis upheaval and renewal it remains a vibrant way of life and a compelling aspect of Jewish experience This book explores the profound intellectual and religious issues that the hasidic masters raised in their Torah commentary and brings to the fore the living qualities of their sermons

The Ethical Challenge of Auschwitz and Hiroshima Darrell J. Fasching, 1993-07-01 This book addresses the problem of religion ethics and

public policy in a global technological civilization It attempts to do what narrative ethicists have said cannot be done to construct a cross cultural ethic of human dignity human rights and human liberation which respects the diversity of narrative traditions It seeks to do this without succumbing to either ethical relativism or ethical absolutism The author confronts directly the dominant narrative of our technological civilization the Janus faced myths of Apocalypse or Utopia Through this myth we view technology ambivalently as both the object of our dread and the source of our hope The myth thus renders us ethically impotent the very strength of our literal utopian euphoria sends us careening toward some literal apocalyptic final solution The demonic narrative that dominated Auschwitz killing in order to heal is part of this Janus faced technological mythos that emerged out of Hiroshima And it is this mythic narrative which underlies and structures much of public policy in our nuclear age This book proposes a coalition of members of holy communities and secular groups organized to prevent any future eruptions of the demonic Its goal is to construct a bridge not only over the abyss between religions East and West but also between religious and secular ethics *Elie Wiesel and the Art of Storytelling* Rosemary Horowitz,2014-11-01 Elie Wiesel is a master storyteller with the ability to use storytelling as a form of activism From his landmark memoir Night to his novels and numerous retellings of Hasidic legends Wiesel s literature emphasizes storytelling and he frequently refers to himself as a storyteller rather than an author or historian In this work essays examine Wiesel s roots in Jewish storytelling traditions influences from religious folk and secular sources education Yiddish background Holocaust experience and writing style Emphasized throughout is Wiesel s use of multiple sources in an effort to reach diverse audiences **Hasidism** Moshe Idel,2012-02-01 Approaches Hasidism as an important stage in Jewish mysticism rather than as a mere reaction to or result of historical and social forces **Hasidic Psychology** Mordechai Rotenberg,2018-01-16 Interest in the impact of ethical systems and social or religious ideologies on socio behavioral patterns is a longstanding theme in social science research While interest may have begun with Max Weber and his thesis of the relationship between the Protestant ethic and the spirit of capitalism it extends far beyond this Surprisingly few studies have delved into the socio behavioral patterns emanating from Jewish ethics This book with a new introduction by the author fills that gap As Hasidic Psychology makes clear Jewish ethics are unique in many ways especially in that they are essentially other centered Man s ability to affect his own future and interpersonal relations are explained according to the theory of contraction popularized in Hasidic thought God by contracting Himself to evacuate space for the human world bestowed upon man the power and responsibility to determine his own future and even affect God s disposition In the first part of the book the sociological structural concept of mono versus multiple ideal labeling is introduced This concept refers to a social system in which diverse material and spiritual actualization patterns are structurally introduced as equal social ideals In the second part basic tenets of classic interaction and socialization are compared to the interpersonal perspective and the contraction theory is explained as a process of mutual emulation whereby father and son affect each other In the third part a functional approach to deviance is developed

through the Hasidic process known as ascend via descend The Jewish World In Modern Times Abraham J Edelheit, Hershel Edelheit, 2019-09-10 The momentous events of modern Jewish history have led to a proliferation of books and articles on Jewish life over the last 350 years Placing modern Jewish history into both universal and local contexts this selected annotated bibliography organizes and categorizes the best of this vast array of written material The authors have included all English language books of major importance on world Jewry and on individual Jewish communities plus books most readily available to researchers and readers and a select number of pamphlets and articles The resulting bibliography is also a guide to recent Jewish historiography and research methods Mystical Union in Judaism, Christianity, and Islam Moshe Idel, Bernard McGinn, 2016-10-06 Mystics who have spoken of their union with God have come under suspicion in all three major religious traditions sometimes to the point of condemnation and execution in the case of Christianity and Islam Nevertheless in all three religions the tradition of unio mystica is deep and long Many of the spiritual giants of these three faiths have seen the attainment of mystical union as the heart of their beliefs and practices Despite its importance mystical union has rarely been investigated in itself apart from the wider study of mysticism and even more rarely from the aspect of comparative studies especially those based upon broad and expert knowledge of the inner life of the three related monotheistic faiths This text brings together essays that equally explore the broader idea of unio mystica as well as the mystic traditions within each religion

Dialogue With Deviance The Hasidic Ethic And The Theory Of Social Contraction Introduction

In todays digital age, the availability of Dialogue With Deviance The Hasidic Ethic And The Theory Of Social Contraction books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Dialogue With Deviance The Hasidic Ethic And The Theory Of Social Contraction books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Dialogue With Deviance The Hasidic Ethic And The Theory Of Social Contraction books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Dialogue With Deviance The Hasidic Ethic And The Theory Of Social Contraction versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Dialogue With Deviance The Hasidic Ethic And The Theory Of Social Contraction books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other

digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Dialogue With Deviance The Hasidic Ethic And The Theory Of Social Contraction books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Dialogue With Deviance The Hasidic Ethic And The Theory Of Social Contraction books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Dialogue With Deviance The Hasidic Ethic And The Theory Of Social Contraction books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Dialogue With Deviance The Hasidic Ethic And The Theory Of Social Contraction books and manuals for download and embark on your journey of knowledge?
