DAVID COOT

Candy Girl A Year In The Life Of An Unlikely Stripper

Stacey Clare

Candy Girl A Year In The Life Of An Unlikely Stripper:

Candy Girl Diablo Cody, 2005-12-29 Decreed by David Letterman tongue in cheek on CBS TV's *The Late Show* to be the pick of Dave's Book Club 2006 *Candy Girl* is the story of a young writer who dared to bare it all as a stripper At the age of twenty four Diablo Cody decided there had to be more to life than typing copy at an ad agency She soon managed to find inspiration from a most unlikely source amateur night at the seedy Skyway Lounge While she doesn't take home the prize that night Diablo discovers to her surprise the act of stripping is an absolute thrill This is Diablo's captivating fish out of water story of her yearlong walk on the wild side from quiet gentlemen's clubs to multilevel sex palaces and glassed in peep shows In witty prose she gives readers a behind the scenes look at this industry through a writer's keen eye chronicling her descent into the skin trade and the effect it had on her self image and her relationship with her now husband

Girls, Autobiography, Media Emma Maguire, 2018-04-05 This book investigates how girls automedial selves are constituted and consumed as literary or media products in a digital landscape dominated by intimate though quite public modes of self disclosure and pervaded by broader practices of self branding In thinking about how girlhood as a potentially vulnerable subject position circulates as a commodity *Girls Autobiography Media* argues that by using digital technologies to write themselves into culture girls and young women are staking a claim on public space and asserting the right to create and distribute their own representations of girlhood Their texts in the form of blogs vlogs photo sharing platforms online diaries and fangirl identities show how they navigate the sometimes hostile conditions of online spaces in order to become narrators of their own lives and stories By examining case studies across different digital forms of self presentation by girls and young women this book considers how mediation and autobiographical practices are deeply interlinked and it highlights the significant contribution girls and young women have made to contemporary digital forms of life narrative

The Ethical Stripper Stacey Clare, 2022-03-03 As educational as it is enlightening Read this SARA PASCOE Passionately argued meticulously researched and angry as hell leads the reader beyond the strip club and on to the battlefield where sex workers fight for their rights KATE LISTER Deeply impressive An important book sorely needed CAROL LEIGH An unflinching takedown of inadequate working conditions A must read JUNO MAC co author of *Revolting Prostitutes* Forget everything you think you know about strippers In this powerful book Stacey Clare a stripper with over a decade of experience takes a detailed look at the sex industry the reality of the work as well as the history of licensing and regulation feminist themes surrounding sex work and stigma Bringing her personal knowledge of the industry to bear she offers an unapologetic critique and searing indictment of exploitation and raises the rights of sex workers to the top of the agenda *The Ethical Stripper* rejects notions of victimhood challenges stigma and shame and unpacks decades of confusion and contradictions It's about the sex work community's fight for safety and self determination and it challenges you to think twice about every newspaper article documentary and film you have seen about stripping and sex work

The Year's Work in Showgirls Studies

MelissaHardie,Melissa Jane Hardie,MeaghanMorris,KaneRace,2023-12-12 The Year s Work in Showgirls Studies is a fan culture volume that deconstructs how and why Showgirls a 1995 drama with a female lead bent on becoming a famous performer in Las Vegas became a much contested cult film despite being a critical failure when it released The collection orchestrates a conversation between scholarly essay work and archival documentation offering a magnificent representation of the array of responses generated by the film its makers its promoters and its audience A multifaceted approach to the film its popularity and its social relevance results in a new text for understanding normative social hierarchies of sexuality race and gender The Year s Work in Showgirls Studies engages with the figurative and actual place of sex work and feminized affective labor in our society **Girls Gone Skank** Patrice A. Oppliger,2015-02-18 Instead of advancing women s social and professional empowerment popular culture trends appear to be backsliding into the blatant sexual exploitation of women and girls at younger and younger ages This study investigates the effects of mass marketed sexual images and cultural trends on the behaviors and attitudes of young girls and describes many ways in which young girls are increasingly taught to go to outrageous lengths in seeking male attention Topics include the powerful effects of cultural phenomena such as revealing fashions plastic surgery and beauty pageants in influencing teen and preteen girls to willingly participate in and promote their own sexualization These chapters also explore other cultural factors contributing to this early sexualization of young girls including absentee parenting and material overindulgence Later chapters focus on the sexual representations of females in the mass entertainment media focusing specifically on how popular magazines television programs films and the Internet prey upon promote and reinforce young girls physical and sexual insecurities **Writing & Selling Your Memoir** Paula Balzer,2011-07-09 There s more to writing a memoir than just writing your life story A memoir isn t one long diary entry Rather it s a well crafted story about a crucial often exceptionally difficult time in someone s life Writing Selling Your Memoir talks readers through the process of telling their most personal stories in a compelling relatable and readable manner Unlike other books dedicated to the art and craft of writing memoir it teaches readers how to approach the genre with love respect and know how without sentimentalizing it Drawing on her experience working with New York Times best selling memoirists literary agent Paula Balzer carefully explores the genre and provides readers with step by step instruction on how to Identify strong opening and closing points Find and develop a strong central hook that readers can relate to Structure a memoir to maximize readability Use dialogue and pacing to enhance intimacy Approach honesty and truthfulness Build a successful author platform around their memoir Get an agent s attention Get published Full of tips techniques detailed exercises and examples from best selling memoirs as well as sidebars from well known memoir authors Writing Selling Your Memoir teaches you how to approach an often tricky genre and tell your story without sentimentalizing it Life Narratives and Youth Culture Kate Douglas,Anna Poletti,2016-12-26 This book considers the largely under recognised contribution that young writers have made to life writing genres such as memoir letter writing and diaries as well as their innovative use of

independent and social media The authors argue that these contributions have been historically silenced subsumed within other literary genres culturally marginalised or co opted for political ends Furthermore the book considers how life narrative is an important means for youth agency and cultural participation By engaging in private and public modes of self representation young people have contested public discourses around the representation of youth including media health and welfare and legal discourses and found means for re engaging and re appropriating self images and representations Locating their research within broader theoretical debates from childhood and youth studies youth creative practice and associated cultural implications youth citizenship and autonomy the rights of the child generations and power relationships Poletti and Douglas also position their inquiry within life narrative scholarship and wider discussions of self representation from the margins representations of conflict and trauma and theories of ethical scholarship Film and Television S. J. Stratford, 2009 Explains the steps to starting a career in the film and television industry with suggestions on how to market and hone existing skills and advice on issues that face different age groups Viewing Pleasure and Being a Showgirl Alison Carr, 2018-04-19 Drawing on interviews with a breadth of different showgirls from shows in Paris Las Vegas Berlin and Los Angeles as well as her own artworks and those by other contemporary and historical artists this book examines the experiences of showgirls and those who watch them to challenge the narrowness of representations and discussions around what has been termed sexualisation and the gaze An account of the experience of being looked at the book raises questions of how the showgirl is represented the nature of the pleasure that she elicits and the suspicion that surrounds it and what this means for feminism and the act of looking An embodied articulation of a new politics of looking Viewing Pleasure and Being a Showgirl engages with the idea reinforced by feminist critique that images of women are linked to selling and that women's bodies have been commodified in capitalist culture raising the question of whether this enables particular bodies those of glamorous women on display to become scapegoats for our deeper anxieties about consumerism Burlesque West Becki Ross, 2009-07-25 After the Second World War Vancouver emerged as a hotbed of striptease talent In Burlesque West the first critical history of this notorious striptease scene Becki Ross delves into the erotic entertainment industry at the northern end of the dancers west coast tour the North South route from Los Angeles to Vancouver that provided rotating work for dancers and variety for club clientele Drawing on extensive archival materials and fifty first person accounts of former dancers strip club owners booking agents choreographers and musicians Ross reveals stories that are deeply flavoured with an era before striptease fell from grace because the world stopped dreaming in the words of ex dancer Lindalee Tracey Though jobs in this particular industry are often perceived as having little in common with other sorts of work retired dancers accounts resonate surprisingly with those of contemporary service workers including perceptions of unionization and workplace benefits and hazards Ross also traces the sanitization and subsequent integration of striptease style and neo burlesque trends into mass culture examining continuity and change to ultimately demonstrate that Vancouver

s glitzy nightclub scene often condemned as a quasi legal strain of urban blight in fact greased the economic engine of the post war city Provocative and challenging Burlesque West combines the economic the social the sexual and the personal and is sure to intellectually tantalize
