Ben and Susan a beer Everyone popped the tops off the beer cans and gulped them down like they were drinking water Ben asked Mike You don t think the boogie man got Sam do you laughed Ben as he let out a belch from gulping down the beer too fast No silly the boogie man didn t get him He s probably passed out drunk somewhere in these woods and will probably come staggering back at any moment replied Mike with a smirk on his face Mike also said I think we still have quite a few beers left to drink and they re going to get hot in this blazing sun if we don t drink them soon Okay I ll get me another cold one said Ben as he staggered over to the cooler Susan said What about me I would like another too Ben handed Susan another and they all downed their second beer and were getting hot and decided to go for a swim They were all having a good time together but the good time was about to end because all of a sudden when they all went under the water at the same time and then resurfaced Ben was gone Susan wiped the water from her eyes and said in a panic Mike Where is Ben I don t see him anywhere Mike answered He s probably at the cooler getting him another beer or he s playing a practical joke on us As they both were swimming into shore a skull floated to the surface Susan looked back and said to Mike Look something is floating on the surface of the water Susan told Mike to check it out but Mike said as he laughed I m not going to see what it is Why don t you go instead Susan said OK Chicken I ll go see what it is Susan swam back out to investigate The closer she got to the floating object the more evident it wasn t a ball floating on the surface it was something else Susan picked up the object and started screaming dropped the object out of her hands and swam back to shore as fast as her legs and arms could get her there When she got to shore she stood up and fainted By that time Mike knew this was serious Mike picked up Susan and took her back to the cabin to wait until she came too Then he asked her what scared the hell out of her About thirty minutes later Susan woke up and sat up in bed and started rocking back and forth with her hands on her face crying and shouting Ben No Ben Then she fainted again Mike shook Susan trying to wake her up but she just kept mumbling Ben Ben Ben Mike decided to get help He ran to the main office where the owner of the camp stayed Mike burst through the door and went over to the owner s desk to ask to borrow his phone He called out to the owner but got no answer The owner was sitting in his chair with his back facing Mike Mike thought he just dozed off So Mike went over to tap him on the shoulder and the owner fell out of the chair Mike was in panic mode now and couldn t believe what he was seeing The owner s face had been half eaten and all of his vital organs had been eaten on Mike started vomiting out of control Then all of a sudden Mike heard someone talking in one of the rooms of the cabin He went over to investigate and when he opened the door someone pushed him onto the floor Mike was unaware of what horror was behind the door Mike tried to escape but couldn t because the room was filled with cannibalistic people that were hungry for flesh Mike screamed in agony as the cannibal people tore into his body like a bunch of wild animals
