Can't Go Back Billionaire Stepbrother Romance, Alexander Bill grew up on Quackenbush Avenue in Brooklyn. She'd had a provincial childhood, walking the distance between her grandparents' house and home just three doors away. She'd never wanted for anything and had adored her father, but her dream was to become a teacher and move somewhere out west. If there was one thing that prevented her from dreaming, it was her father. He was a New Yorker through and through, and the world beyond New York ceased to exist. He thought Alex would one day marry a nice New York boy and live somewhere in Brooklyn. Alex's mother had left when she was two, after falling in love with a guy who predicted that one day wine would be big. He was right, and they'd settled in northern California and had joined the ranks of the very wealthy. Alex also inherited a stepbrother named Thom that she rarely saw but disliked just the same. When her mother offered her a job in the company business, Alex decided to try it for a year. The salary was great, but the thought of finally seeing the world appealed to her the most. She'd been dreaming of foreign lands her entire life. What she didn't expect was to have to work closely with a stepbrother who had a penchant for business and an even better penchant for love.

They've never gotten along, and Charlotte doesn't look forward to spending time with him. But when Cody shows up, it's clear that he's matured. They find themselves instantly attracted to each other but unsure how to proceed. Will Charlotte and Cody have the courage to become intimate? Or will the taboo be too much for them to overcome?
