

Love, blood, betrayal, and revenge

Simon Lewis is the new kid in town in *City of Fallen Angels*

Simon Lewis, 16, having just finished adjusting to his new life as a vampire, especially now that he has chosen the last blood. (Clay, who is caught up between his love, Shadowhunter, and spending time with his Papa, is forced to face his true nature.) Simon doesn't have time to settle the pressure of his new life as a vampire.

What's a teenage boy to do? Simon decides to make a friend and find out if he's really a vampire.

—only to discover that the vampire world is nothing like he thought.

Realizing that the vampire world they'd been told was not real, Simon has to call on his Shadowhunter friends to save the day.

— If they can put their own spinning wheels to work, they might be able to save the day.
