citizens died in the chaos some escaped the mountain's wrath and these are their stories A boy loses his innocence in Pompeii's flourishing streets An heiress dreads her wedding day not knowing it will be swallowed by fire An ex-legionary stakes his entire future on a gladiator bout destined never to be finished A crippled senator welcomes death until a tomboy on horseback comes to his rescue A young mother faces an impossible choice for her unborn child as the ash falls A priestess and a prostitute seek redemption and resurrection as the town is buried Six authors bring to life overlapping stories of patricians and slaves warriors and politicians villains and heroes who cross each other's paths during Pompeii's fiery end But who will escape and who will be buried for eternity
