Dancing With Dragonflies:

Dancing with Dragonflies Jack Gorfien, 2007-02 Dancing with Dragonflies is a fable written for children and adults of all ages It may be read out loud in less than 20 minutes making it a good length for a bedtime story The tale is about a princess and a knight named Lirona and Zohar They meet while on separate journeys and continue on different paths in search of treasure With the help of a little magic supplied by a mysterious old woman called Adamina they find themselves where they first met and continue their journey together to discover something more valuable than any precious gem Among other things the book encourages the ability to see opportunity and the courage to act upon it It also advocates work balance cooperation perseverance and self determination The words and whimsical illustrations work together to form a contemporary trip into the past and the future Visit the author's website at www.dancingwithdragonflies.com This little book shows dance as a common ground where two people from very different worlds can come together On the dance floor they are able to take down the defensive walls they've built and not only find each other but also find their inner strength to trust and love again Some may find this a fairy tale Others a life lesson Karen Pfrommer Co owner and dance instructor Let's Dance in Rhythm Branford CT About the author Jack Francis Gorfien is a writer and licensed acupuncturist practicing in Madison Connecticut His inspiration for this story grew in part from having studied the principles of Traditional Chinese Medicine He found that the concept of balancing the opposing forces known as Yin and Yang to relieve pain and create a state of good health apply to all areas of life Inspiration for this story also grew out of his experiences with ballroom dancing He discovered that ballroom dancing is an excellent metaphor for all types of relationships and the benefits available to partners who are willing to strive for balance and help each other excel The author's desire is to encourage people to look within themselves and others to focus on their qualities and choose to cultivate those qualities to their most positive potential In today's chaotic and sometimes frightening world we will all be well served by nourishing what is best in others and ourselves whenever possible About the illustrator Grace Turman has a mother a father a brother two sisters and a handsome prince who keep her life just as exciting as it should be She needs water preferably sparkling shelter and at least three different colored ink pens to survive Grace also helped illustrate The Thimble Island Story Book a collection of salty sea stories by Captain Bob Milne

That's What Happens When You Dance with a Dragonfly MJ Biehl, 2025-05-20 This book tells the story of Luna who loved to dance but soon lost her sense of self because of the emotional abuse of her dance teacher and being bullied at school Luna during summer break went to the field of flowers where she learned dance techniques from observing how birds butterflies and flowers moved in nature She learned tempo by listening to the croaking frogs grasshoppers and crickets The field of flowers took her to heights where she had to learn the lesson of believing and trusting the process of life that was given to her by her mentor the dragonfly After summer break Luna continued to dance and auditioned for a dance and was awarded The story continued with Grandma Trudy taking her to Chicago and again the world

of possibilities opened to her Luna with the use of cookies brought vulnerable communities together forgiveness to happen opportunities to flourish and relationship restored and found herself

Dragonflies & Damselflies Dennis Paulson, 2019 A thoroughly entertaining and informative read BBC Wildlife Dragonflies are often called birdwatchers insects They are large brightly colored active in the daytime and with complex and interesting behavior Like butterflies they appeal even to people who don't think highly of insects in general They have been with us since the dinosaurs lived and they continue to flourish Their ancestors were the biggest insects ever and they still impress us with their size the largest is bigger than a small hummingbird There are over 6 000 species of Odonata known at present and you need only to visit any wetland on a warm summer day to be enthralled by their bright colors and fascinating behavior
