Dark Matter in Breaking Cyphers Imani Kai Johnson, 2023 The dance circle called the cypher is a common signifier of breaking culture known more for its spectacular moves than as a ritual practice with foundations in Africanist aesthetics Yet those foundations evident in expressive qualities like call and response the aural kinesthetic the imperative to be original and more are essential to cyphering's enduring presence on the global stage What can cyphers activate beyond the spectacle What lessons do cyphers offer about moving through and navigating the social world And what possibilities for the future do they animate With an interdisciplinary reach and a riff on physics author Imani Kai Johnson centers the voices of practitioners in a study of breaking events in cities across the US Canada and parts of Europe *Dark Matter in Breaking Cyphers* the Life of Africanist Aesthetics in Global Hip Hop draws on over a decade of research and provides a detailed look into the vitality of Africanist aesthetics and the epistemological possibilities of the ritual circle

Moving Blackness Lisa B. Y. Calvente, 2025-01-14 *Moving Blackness* Black Circulation Racism and Relations of Homespace delves into the intricate connections between communication culture power and racism in relation to

blackness Through a blend of interviews oral histories and meticulous archival research this book sheds light on the multifaceted narratives surrounding Black identity It explores how these stories circulate serving as tools of resistance negotiation and affirmation of diverse manifestations and representations of blackness By emphasizing the significance of storytelling as a means through which blackness affirms itself transcending time and space the book underscores how communicative embodiments of Black identity enable individuals to persevere within marginalized contexts Engaging with theories of anti Black racism modernity coloniality and the Black diaspora the book frames storytelling and the circulation of narratives as performances deeply rooted in the everyday lives of Black people across the diaspora Starting with an examination of the racial construction of movement during colonialism and slavery the book traces how this history shapes contemporary interactions With its exploration of how Black circulation transforms movement and space the book introduces a forward thinking approach to the Black diaspora anchored in a politics of identification rather than being confined to the past or a specific location Moving Blackness argues that the desire for homespace a yearning for belonging that transcends any particular physical space fuels this envisioned future rooted in the historical and material conditions of racism and marginalization

Performing Female Blackness Naila Keleta-Mae,2023-06-20 Performing Female Blackness examines race gender and nation in Black life using critical race feminist and performance studies methodologies This book examines what private and public performances of female blackness reveal about race gender and nation and considers how the land widely known as Canada shapes these performances By exploring Black expressive culture in familial literary and performance settings Naila Keleta Mae theorizes that perpetual performance forces people who are read as female and Black to always be figuratively on stage regardless of cultural political or historical contexts Written in poetry prose and journal form and drawing from the author s own life and artistic works Performing Female Blackness is ideal not only for scholars educators and students of the humanities social sciences and fine arts but also for artists and the general public too *Cartographies of Blackness and Black Indigeneities* George J.
