Canoeing in the Wilderness Henry David Thoreau, 2020-04-15 From the author of *Walden* comes this 1857 diary of a sojourn amid the still unspoiled woodlands of Maine Thoreau writes with grace and clarity that bring the American wilderness to vivid life Canoeing in the Wilderness (Classic Reprint) Henry David Thoreau, 2017-11-20 Excerpt from *Canoeing in the Wilderness* He liked especially the companionship of men who were in close contact with nature and in this book we find him deeply interested in his Indian guide and lingering fondly over the man's characteristics and casual remarks The Indian retained many of his aboriginal instincts and ways though his tribe was in most respects civilized His home was in an Indian village on an island in the Penobscot River at Oldtown a few miles above Bangor About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Summer the Wilderness Charles Lanman, 2015-07-19 Excerpt from *Summer the Wilderness* Embracing a Canoe Voyage Louis June 1846s The River Queen as Saint Louis is sometimes called is looked upon as the threshold leading to the wild and romantic region of the Upper Mississippi It was founded in the year seventeen hundred and sixty four by two Frenchmen named Laclade and Chouteau who were accompanied by about thirty Creoles The first steamer which landed here came from New Orleans in the year eighteen hundred and nineteen but the number now belonging here is rated at three hundred many of which are unsurpassed in speed and splendor of accommodations The population of this city amounts to forty thousand souls It is elevated some eighty feet above the low water mark of the Mississippi and from the river presents a handsome appearance The old part of the town is inhabited by a French population and is in a dilapidated condition but the more modern portion is distinguished for its handsome streets and tastefully built mansions and public buildings Fronting the levee or landing are several blocks of stone stores which give one an idea of the extensive business transacted here On one occasion I saw this wharfing ground so completely crowded with merchandise of every possible variety that travellers were actually compelled to walk from the steamboats to the hotels About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Canoeist's Sketchbook**
