Free Space Optics Report , Of Space and Mind Patrick L. Hamilton,2011-04-01 Based on author s doctoral thesis University of Colorado 2006 Reading space *Medicine and Space* ,2011-12-09 This volume contributes to medical history in Antiquity and the Middle Ages by significantly widening our understandings of health and treatment through the theme of space The fundamental question about how space was conceived by different groups of people in these periods has been used to demonstrate the multi variant understandings of the body and its functions illness and treatment and the surrounding natural and built environments in relation to health The subject is approached from a variety of source materials medical philosophical and religious literature archaeological remains and artistic reproductions By taking a multi disciplinary approach to the subject the volume offers new interpretations and methodologies to medical history in the periods in question Contributors are Helen King Michael McVaugh Maithe Hulskamp Glenda McDonald Roberto Lo Presti Fabiola van Dam Catrien Santing Ralph Rosen and Irina Metzler Adventures Across Space and Time ,2023-10-19 Adventures Across Space and Time brings together key academic critic and fan writings about Doctor Who alongside newly commissioned work addressing contemporary issues and debates to form a comprehensive guide to the wider Whoniverse The perennially popular BBC series holds a unique place in the history of television and of TV fandom the longest running science fiction show the series and its fan communities have tracked social and cultural changes over its 60 year lifetime Adventures Across Space and Time presents classic writings on Who and its fandom by leading scholars including John Fiske Henry Jenkins John Tulloch and Matt Hills but also represents writings and art by fans including fans who went on to become showrunners writers or even the Doctor himself with contributions by Steven Moffat Chris Chibnall Douglas Adams and Peter Capaldi This innovative anthology addresses Doctor Who s showrunners Doctors companions enemies and collaborators as well as issues and debates around queer fandom intersectionality the wokeness of the Doctor fan media including websites podcasts and vlogs fan activism and questions of race and sexuality in relation to the show and its spin offs It considers Doctor Who as a peculiarly British phenomenon but also one that has delighted engaged and sometimes enraged viewers around the world

The British Magazine and Monthly Register of Religious and Ecclesiastical Information, Parochial History, and Documents Respecting the State of the Poor, Progress of Education, &c ,1848 **Gender and Rhetorical Space in American Life, 1866-1910** Nan Johnson,2002 Nan Johnson demonstrates that after the Civil War nonacademic or parlor traditions of rhetorical performance helped to sustain the icon of the white middle class woman as queen of her domestic sphere by promoting a code of rhetorical behavior for women that required the performance of conventional femininity Through a lucid examination of the boundaries of that gendered rhetorical space and the debate about who should occupy that space Johnson explores the codes governing and challenging the American woman s proper rhetorical sphere in the postbellum years While men were learning to preach practice law and set political policies women were reading elocution

manuals letter writing handbooks and other conduct literature These texts reinforced the conservative message that women's words mattered but mattered mostly in the home Postbellum pedagogical materials were designed to educate Americans in rhetorical skills but they also persistently directed the American woman to the domestic sphere as her proper rhetorical space Even though these materials appeared to urge the white middle class women to become effective speakers and writers convention dictated that a woman's place was at the hearthside where her rhetorical talents were to be used in counseling and instructing as a mother and wife Aided by twenty one illustrations Johnson has meticulously compiled materials from historical texts no longer readily available to the general public and in so doing has illuminated this intersection of rhetoric and feminism in the nineteenth century The rhetorical pedagogies designed for a postbellum popular audience represent the cultural sites where a rethinking of women's roles becomes open controversy about how to value their words Johnson argues this era of uneasiness about shifting gender roles and the icon of the quiet woman must be considered as evidence of the need for a more complete revaluating of women's space in historical discourse
