Dandelion Through The Crack:

Dandelion Through the Crack Kiyo Sato, 2007 *Dandelion Through the Crack* The Sato Family Quest for the American Dream tells of a real Japanese American family formed both by ancestry and by the American way of life We see mother father and children and their challenges over seven decades There are the extraordinary times of the Depression wartime emergency internment in the Poston relocation camp in the Arizona desert oppressive prejudice and the struggle to recover from near total loss But there are also many simple almost pastoral moments The wise fables of the author's father tales of his old and new homelands and his haiku poetry are interwoven throughout This is Kiyo Sato's first person account of the family's struggles and triumphs The result is a work of literary grace emotional power and historical and social importance

Kiyo's Story Kiyo Sato, 2009 When her father left Japan his mother told him never to return there was no future there for him Shinji Sato arrived in California determined to plant his roots in the Land of Opportunity even though he could not become a citizen He and his wife started a farm and worked in the fields together with their nine children At the outbreak of World War II when Kiyo the eldest was 18 the Satos were ordered to Poston Internment Camp Though they had lived the US for two decades and their children were citizens they were suddenly uprooted and imprisoned by the government **Kiyo Sato** Connie Goldsmith, 2025-08-01 Our camp they tell us is now to be called a relocation center and not a concentration camp We are internees not prisoners Here's the truth I am now a non alien stripped of my constitutional rights I am a prisoner in a concentration camp in my own country I sleep on a canvas cot under which is a suitcase with my life's belongings a change of clothes underwear a notebook and pencil Why In 1941 Kiyo Sato and her eight younger siblings lived with their parents on a small farm near Sacramento California where they grew strawberries nuts and other crops Kiyo had started college the year before when she was eighteen and her eldest brother Seiji would soon join the US Army The younger children attended school and worked on the farm after class and on Saturday On Sunday they went to church The Satos were an ordinary American family Until they weren't On December 7 1941 Japan bombed the US naval base at Pearl Harbor Hawaii The next day US president Franklin Roosevelt declared war on Japan and the United States officially entered World War II Soon after in February and March 1942 Roosevelt signed two executive orders that paved the way for the military to round up all Japanese Americans living on the West Coast and incarcerate them in isolated internment camps for the duration of the war Kiyo and her family were among the nearly 120 000 internees In this moving account Sato and Goldsmith tell the story of the internment years describing why the internment happened and how it impacted Kiyo and her family They also discuss the ways in which Kiyo has used her experience to educate other Americans about their history to promote inclusion and to fight against similar injustices *A Cowboy State of Mind* Jennie Marts, 2020-06-30 A brand new series of sweet small town cowboy romance from USA Today bestselling author Jennie Marts The Horse Whisperer meets Hope Floats when bubbly Bryn Callahan and brooding Zane Taylor protect an unwanted horse and end up with an animal rescue
