Citizenship Social Work With Older People

Malcolm Payne, Emma Reith-Hall

Citizenship Social Work With Older People:

Citizenship Social Work with Older People Malcolm Payne, 2012-02-08 This title draws from existing social work practice ideas to develop a citizenship social work with older people [Social Work with Older People](#) Ann McDonald, 2010-03-08 Social Work with Older People provides an authoritative and practical guide to working with older people in a range of settings It addresses the complexities of individual work with older people as well as work with families groups and the wider community and is not afraid to tackle the challenges as well as opportunities of practice in this area The book begins by explaining the demographic changes that have led to a greying of the general population It goes on to discuss the diversity in experiences of ageing across society and the range of issues which confront older people and those who wish to work proactively with them Clear attention is paid to the processes of assessment care planning and review with readers encouraged to reflect on developing good practice through case studies and exercises Although it has a strong practical emphasis the book also stresses the value of theoretical perspectives with insights from fields such as sociology and psychology woven throughout the book Clear links are also made to policy guidelines and organizational standards without losing sight of the deeper often more complex issues that arise when working with older people Social Work with Older People will be essential reading for social work students and practitioners but also for others who are interested in the development of practice with older people as citizens and service users **Doing Relationship-Based Social Work** Mary McColgan, Cheryl McMullin, 2017-03-21 Highly practical and research informed this book describes a new model for implementing relationship based principles in social work practice [An A-Z of Social Work Theory](#) Malcolm Payne, 2021-09-15 Puzzled by terminology skills law or theory Revising for your placement or exam Then look no further This series of concise and easy to use A Zs will be your guide Designed for both students and newly qualified social workers this book will introduce you to over 350 key theories theorists and concepts in a concise and no nonsense way Careful cross referencing will help you make important connections while selected further reading will provide you with a springboard to further learning **Introduction to Social Work** Lisa E. Cox, Carolyn J. Tice, Dennis D. Long, 2021-09-03 The award winning Introduction to Social Work An Advocacy Based Profession takes students on an exploration of what social work is what it was historically and how to be an effective advocate as a social worker moving forward Built on a unique advocacy practice and policy model comprised of four components economic and social justice a supportive environment human needs and rights and political access the book provides a crucial lens for viewing today s social issues Best selling authors Lisa E Cox Carolyn J Tice and Dennis D Long emphasize advocacy throughout all sectors of social work with a focus on environmental international and military social work The Third Edition closely aligns with the latest Educational Policy and Accreditation Standards EPAS from the Council on Social Work Education CSWE references the 2018 Code of Ethics from the National Association of Social Workers NASW and includes profound discussions of societal impacts on areas of public

health policy juvenile justice race inequality social movements and self care This title is accompanied by a complete teaching and learning package Critical Hospital Social Work Practice Daniel Burrows,2020-04-19 Critical Hospital Social Work Practice sheds light on the fast paced high pressure role of the hospital social worker At a time of public concern over the state of the NHS and the needs of a growing older population the hospital social worker s job is more important than ever Yet it is poorly understood and often overlooked by policy makers managers and other professionals Employing social theory to make sense of the contemporary context of health and social care this book highlights the vital role played by social workers in planning complex hospital discharges It provides an in depth account of the activities of a typical hospital social work team in the UK drawn from rigorous ethnographic fieldwork and contrasts this with research evidence on hospital social work practices around the world The author points towards exciting new directions for health related social work and social work s potential to develop critical gerontological practice This book will be useful to social work students and practitioners working in hospital settings and with older people in general It will also be of significant value to policy makers and academics who are interested in developing innovative approaches to meeting the needs of the ageing population **Social Work With Older People: Approaches To Person-Centred Practice** Hall, Barbara,Scragg, Terry,2012-03-01 This text fills a gap for an accessible textbook which takes a person centred approach to working with older people by providing readers with a basic knowledge of policy legislation theory and research Governance, Development, and Social Work Chathapuram S. Ramanathan,Subhabrata Dutta,2013-08-15 This book explores how many issues related to development and governance including migration disaster management environmental justice peace and security sustainability public private partnerships and terrorism impact the practice of social work It takes a global comparative approach reflecting the global context in which social workers now operate **Older Citizens and End-of-Life Care** Malcolm Payne,2017-02-22 Older people are like younger people citizens in the communities of the nations in which they live This book sees ageing as a life journey that incorporates a process of citizenizing in which people build their identity as part of their family and community But the social experience of illness frailty disability and reaching the end of life may de citizen older people by devaluing the social identity that comes from continuing social engagement We de citizen older people by emphasizing dependence on services and their cost to public expenditure instead of valuing the interdependence of participation and mutual respect This book argues that older people retain full citizenship for the whole of their lives up to the moment of death but what does this mean for health and social care In this groundbreaking book Malcolm Payne argues that social work with older people must build re citizenizing practice strategies to value both the common and the special aspects of the citizenship of older people Current models of social care and social work create dependency rather than relying on values of participative interdependence The failure to recognize the end of life as a crucial element in all social care and social work for older people means that the lessons learned in providing palliative and end of life care in healthcare have not been transferred to social care and the

priorities of end of life care have not been adequately encompassed in social work with older people The Routledge Handbook of Social Work Theory Malcolm Payne, Emma Reith-Hall, 2019-06-25 The Routledge Handbook of Social Work Theory provides an interdisciplinary and international introduction to social work theory It presents an analytical review of the wide array of theoretical ideas that influence social work on a global scale It sets the agenda for future trends within social work theory Separated into four parts this handbook examines important themes within the discourses on social work theory as well as offering a critical evaluation of how theoretical ideas influence social work as a profession and in practice It includes a diverse range of interdisciplinary topics covering the aims and nature of social work social work values and ethics social work practice theories and the use of theory in different fields of practice The contributors show how and why theory is so important to social work and analyze the impact these concepts have made on social intervention Bringing together an international team of leading academics within the social work field and newer contributors close to practice this handbook is essential reading for all those studying social work as well as practitioners policymakers and those involved in the associated fields of health and social care
