City Of Brick And Shadow:

City Of Brick And Shadow Tim Wirkus, 2014-11-07 Intimate mysterious magical as accomplished and compelling as anything I've read in recent years T C Boyle award winning author of *The Harder They Come* Beautifully conceived and beautifully written rendered with a strong confident voice that is so rare in a first novel Percival Everett award winning author of *Assumption* Already struggling to keep their tiny congregation afloat two Mormon missionaries stationed in the dangerous Latin American neighborhood of Vila Barbosa suspect the worst when Marco Aurelio a man they recently baptized disappears from a crowded street market When the neighborhood's corrupt police force shows no interest Elder Toronto and Elder Schwartz decide to investigate Marco Aurelio's disappearance themselves Breaking mission rule after mission rule the elders doggedly pursue any clues that might lead them to their friend As they interview the people who knew him his short tempered bodybuilding brother his gun toting ex wife his mercurial former business partner a tangled portrait emerges of an enigmatic con artist in over his head At the edges of the investigation lurks a shadowy mythical figure known only as the Argentine a man who poses an increasingly dire threat to the two young missionaries as they plunge recklessly forward Tim Wirkus *City of Brick and Shadow* is a fantastically fun ride recasting the classic buddy cop dynamic in a pair of hapless young missionaries a gripping and unconventional mystery along the lines of *The Yiddish Policemen's Union* or *Motherless Brooklyn*
