Innovation in Urban and Regional Planning Daniele La Rosa, Riccardo Privitera, 2021-05-10 This book gathers the latest advances, innovations and applications in urban and regional planning processes and science as presented by international researchers at the 11th International Conference on Innovation in Urban and Regional Planning INPUT held in Catania, Italy, on September 8-10, 2021. The overarching theme of the conference INPUT 2021 was Integrating Nature Based Solutions in Planning Science and Practice, with contributions focusing on functionality of urban ecosystems toward more healthier and resilient cities, planning solutions for socio-ecological systems, technologies and hybrid models for spatial planning, geodesign, urban metabolism, computational planning, ecosystems services, green infrastructure, climate change adaptation and mitigation, rural landscapes, cultural heritage and accessibility for urban planning. The conference brought together international scholars in the field of planning, civil engineering and architecture, ecology and social science to build and consolidate the knowledge and evidence on NBS in urban and regional planning. *Spatial Planning, Urban Form and Sustainable Transport* Katie Williams, 2017-03-02 The ways in which we travel have a huge impact on sustainability. This book addresses the relationship between travel patterns and the physical form of cities and considers the role of spatial planning in that relationship. Three sections present empirical research and commentaries from leading academics and practitioners from Europe, the USA, Australia and Japan. The first section considers the impact of urban form in combination with factors such as lifestyles and socio-demographic change on sustainable transport. The second addresses the impact of different elements of urban form such as density, configuration and mix of uses on mobility. The final section focuses on issues surrounding the implementation of spatial planning policies to support sustainable travel. The book will be of interest to practitioners, academics and students in the fields of planning, transport and geography. **Proceedings of the 2024 International Conference on Urban Planning and Design (UPD 2024)** Mujahid Ali, Ping Xiang, Mohamed A.
