as a Strategic Management Tool*

Preface by Joseph F. COATES

Creating Futures Scenario Planning As A Strategic Management Tool

Alain Ferrand, Scott McCarthy

Creating Futures Scenario Planning As A Strategic Management Tool:

Creating Futures Michel Godet, 2001 The future is open to us to be written or created collectively This powerful statement flies in the face of traditional notions of prediction and forecasting but is central to the approach presented in this book The author maintains that with the right tools and attitudes people can learn how to create futures In this handbook for professionals managers planners and entrepreneurs will discover an arsenal of effective futures thinking techniques from workshops to scenario building software that enhance the collective process Readers will find effective ways to anticipate change while avoiding clichéd solutions and conventional thinking *Creating Futures* provides powerful tools for business and political leaders facing uncertainty

Improving and Enhancing Scenario Planning Megan M. Crawford, George Wright, 2025-02-12 This book presents a contemporary view of the approaches and theories that inform global scenario planning and foresight science providing practical recommendations for improving scenario development processes Its insights bridge the gap between last century's foundations and this century's innovations

Advanced Introduction to Scenario Planning Schoemaker, Paul J.H., 2022-06-10 Providing a panoramic overview of the evolving world of scenario planning this *Advanced Introduction* uses topical case studies to analyze the developing methodologies of scenario planning Written by Paul J H Schoemaker a leading authority on the topic this book synthesizes rigorous theory and practical experiences including best practises normative views and future challenges or opportunities for scenario planning

Handbook of Research on Strategy and Foresight Laura Anna Costanzo, Robert Bradley MacKay, 2009 This important Handbook explores and evaluates dynamic environments and the appropriate strategic responses to them in the 21st century Drawing together a collection of 29 original chapters the Handbook makes an invaluable contribution to theory and practice by stimulating disciplined rigorous and imaginative enquiry into the relationship between strategy and foresight Leading scholars in the field of strategic management are brought together to offer innovative and multi disciplinary perspectives on the past present and future of strategy formation and foresight In so doing they challenge research in four key areas strategy and foresight processes strategy innovation for the future understanding the future and strategically responding to the future The Handbook of Research on Strategy and Foresight is a comprehensive resource that will be invaluable for academics students and practitioners interested in this important phenomenon

Handbook of Policy Formulation Michael Howlett, Ishani Mukherjee, 2017-04-28 Policy formulation relies upon the interplay of knowledge based analysis of issues with power based considerations such as the political assessment of the costs and benefits of proposed actions and its effects on the partisan and electoral concerns of governments Policy scholars have long been interested in how governments successfully create deploy and utilise policy instruments but the literature on policy formulation has until now remained fragmented This comprehensive Handbook unites original scholarship on policy tools and design with contributions examining policy actors and the roles they play in the formulation process

Strategic Planning in the Humanitarian

Sector Eilidh Kennedy, Michel Maietta, 2021-10-27 This book provides humanitarian practitioners and policy makers with a manual for how to apply foresight and strategy in their work Drawing on extensive research the book demonstrates in practical terms how embedding futures focused thinking into practice can help humanitarian actors to enhance their impact and fit for the future The book provides readers with a step by step guide to an innovative combination of tools and methods tested and refined over the course of several years However it also goes beyond this by grounding the approach within the broader ambition of making humanitarian action more effective Overall the analytical and strategic processes outlined in this book will accompany a decision maker through every stage of creating a robust agile and impactful long term strategy This accessible guide will be an essential point of reference for practitioners and decision makers in the humanitarian ecosystem as well as students studying humanitarian affairs global development conflict studies and international relations
