Critical Terms For Media Studies Critical Terms For Media Studies:

Critical Terms for Media Studies W. J. T. Mitchell, Mark B. N. Hansen, 2010-03-15 Communications philosophy film and video digital culture media studies straddles an astounding array of fields and disciplines and produces a vocabulary that is in equal parts rigorous and intuitive Critical Terms for Media Studies defines and at times redefines what this new and hybrid area aims to do illuminating the key concepts behind its liveliest debates and most dynamic topics Part of a larger conversation that engages culture technology and politics this exciting collection of essays explores our most critical language for dealing with the qualities and modes of contemporary media Edited by two outstanding scholars in the field W J T Mitchell and Mark B N Hansen the volume features works by a team of distinguished contributors These essays commissioned expressly for this volume are organized into three interrelated groups Aesthetics engages with terms that describe sensory experiences and judgments Technology offers entry into a broad array of technological concepts and Society opens up language describing the systems that allow a medium to function A compelling reference work for the twenty first century and the media that form our experience within it Critical Terms for Media Studies will engage and deepen any reader s knowledge of one of our most important new fields *Media Theory in Japan* Marc Steinberg, Alexander Zahlten, 2017-03-09 Providing an overview of Japanese media theory from the 1910s to the present this volume introduces English language readers to Japan s rich body of theoretical and conceptual work on media for the first time The essays address a wide range of topics including the work of foundational Japanese thinkers Japanese theories of mediation and the philosophy of media the connections between early Japanese television and consumer culture and architecture s intersection with communications theory Tracing the theoretical frameworks and paradigms that stem from Japan s media ecology the contributors decenter Eurocentric media theory and demonstrate the value of the Japanese context to reassessing the parameters and definition of media theory itself Taken together these interdisciplinary essays expand media theory to encompass philosophy feminist critique literary theory marketing discourse and art provide a counterbalance to the persisting universalist impulse of media studies and emphasize the need to consider media theory situationally Contributors Yuriko Furuhashi Aaron Gerow Mark Hansen Marilyn Ivy Takeshi Kadobayashi Keisuke Kitano Akihiro Kitada Thomas Looser Anne McKnight Ryoko Misono Akira Mizuta Lippit Miryam Sas Fabian Sch fer Marc Steinberg Tomiko Yoda Alexander Zahlten Through the Screen Francesco Striano, 2024-12-30 When Alice steps through the mirror in Lewis Carroll s Alice s Adventures in Wonderland she removes herself from the centre of vision and perspective restoring the autonomy of everything else that lies beyond the mirror Similarly the philosopher who wishes to engage with the contemporary medial system must pass through the screen recognising the autonomy of the non human components of the system but also understanding the human role within the system itself Perched between philosophy and other disciplines such as psychology sociology neuroscience computer science electronics cultural studies French m diologie German Medienarch ologie and first

order cybernetics this book challenges our contemporary screen experience and provides the reader with new tools with which to understand it as well as novel insights into the role of philosophy in the digital condition Its aim ultimately is to lay the foundations of a general theory of being and culture by examining them through their technological manifestations

Intellectual History of Key Concepts Gregory Adam Scott, Stefania Travagnin, 2020-05-05 The three volume project Concepts and Methods for the Study of Chinese Religions is a timely review of the history of the study of Chinese religions reconsiders the present state of analytical and methodological theories and initiates a new chapter in the methodology of the field itself The three volumes raise interdisciplinary and cross tradition debates and engage methodologies for the study of East Asian religions with Western voices in an active and constructive manner Within the overall project this volume addresses the intellectual history and formation of critical concepts that are foundational to the Chinese religious landscape These concepts include lineage scripture education discipline religion science and scientism sustainability law and rites and the religious sphere With these topics and approaches this volume serves as a reference for graduate students and scholars interested in Chinese religions the modern cultural and intellectual history of China including mainland China Taiwan Hong Kong and Chinese communities overseas intellectual and material history and the global academic discourse of critical concepts in the study of religions

Shakespeare and YouTube Stephen O'Neill, 2014-04-24 The video sharing platform YouTube signals exciting opportunities and challenges for Shakespeare studies As patron distributor and archive YouTube occasions new forms of user generated Shakespeares yet a reduced Bard too subject to the distractions of the contemporary networked mediascape This book identifies the genres of YouTube Shakespeare interpreting them through theories of remediation and media convergence and as indices of Shakespeare's shifting cultural meanings Exploring the intersection of YouTube's participatory culture its invitation to Broadcast Yourself with its corporate logic the book argues that YouTube Shakespeare is a site of productive tension between new forms of self expression and the homogenizing effects of mass culture Stephen O'Neill unfolds the range of YouTube's Bardic productions to elaborate on their potential as teaching and learning resources The book importantly argues for a critical media literacy one that attends to identity constructions and to the politics of race and gender as they emerge through Shakespeare's new media forms Shakespeare and YouTube will be of interest to students and scholars of Shakespearean drama poetry and adaptations as well as to new media studies

Critical Terms in Futures Studies Heike Paul, 2019-12-02 This volume provides the essential vocabulary currently employed in discourses on the future in 50 contributions by renowned scholars in their respective fields which examine future imaginaries across cultures and time Not situated in the field of futurology proper it comes at future studies sideways and offers a multidisciplinary treatment of a critical futures vocabulary The contributors have their disciplinary homes in a wide range of subjects history cultural studies literary studies sociology media studies American studies Japanese studies Chinese studies and philosophy and critically illuminate numerous discourses about the future or futures past and present In

compiling such a critical vocabulary this book seeks to foster conversations about futures in study programs and research forums and offers a toolbox for discussing them with an adequate degree of complexity Critical Terms for Religious Studies Mark C. Taylor,1998-08-15 Following in the very successful tradition of *Critical Terms for Literary Studies* and *Critical Terms for Art History* this book attempts to provide a revitalized self aware vocabulary with which this bewildering religious diversity can be accurately described and responsibly discussed Leading scholars working in a variety of traditions demonstrate through their incisive discussions that even our most basic terms for understanding religion are not neutral but carry specific historical and conceptual freight **Anime's Identity** Stevie Suan,2021-11-09 A formal approach to anime rethinks globalization and transnationality under neoliberalism Anime has become synonymous with Japanese culture but its global reach raises a perplexing question what happens when anime is produced outside of Japan Who actually makes anime and how can this help us rethink notions of cultural production In *Anime's Identity* Stevie Suan examines how anime's recognizable media form no matter where it is produced reflects the problematics of globalization The result is an incisive look at not only anime but also the tensions of transnationality Far from valorizing the individualistic originality so often touted in national creative industries anime reveals an alternate type of creativity based in repetition and variation In exploring this alternative creativity and its accompanying aesthetics Suan examines anime from fresh angles including considerations of how anime operates like a brand of media the intricacies of anime production occurring across national borders inquiries into the selfhood involved in anime's character acting and analyses of various anime works that present differing modes of transnationality *Anime's Identity* deftly merges theories from media studies and performance studies introducing innovative formal concepts that connect anime to questions of dislocation on a global scale creating a transformative new lens for analyzing popular media *The Intermediality of Narrative Literature* Jørgen Bruhn,2016-06-29 This book argues that narrative literature very often if not always include significant amounts of what appears to be extra literary material in form and in content and that we too often ignore this dimension of literature It offers an up to date overview and discussion of intermedial theory and it facilitates a much needed dialogue between the burgeoning field of intermedial studies on the one side and the already well developed methods of literary analysis on the other The book aims at working these two fields together into a productive working method It makes evident in a methodologically succinct way the necessity of approaching literature with an intermedial terminology by way of a relatively simple but never the less productive three step analytic method In four in depth case studies of Anglophone texts ranging from Nabokov Chandler and Tobias Wolff to Jennifer Egan it demonstrates that medialities matter Preaching Apocrypha in Anglo-Saxon England Brandon W. Hawk,2018-01-01 *Preaching Apocrypha in Anglo Saxon England* is the first examination of Christian apocrypha in Anglo Saxon England focusing on the use of biblical narratives in Old English sermons This work demonstrates that apocryphal media are a substantial part of the apparatus of Christian tradition inherited by Anglo Saxons
