Lawrence E. Bergeron

Cross Cultural Adoption How To Answer Questions From Family Friends And Community:

Cross-cultural Adoption Amy Coughlin, Caryn Abramowitz, 2004 Written as a guidebook for adult relatives and friends of adoptive families this book puts the power of information where kids seek it most in the mouths of their parents and caregivers

Helping Those Experiencing Loss Robert J. Grover Professor Emeritus, Susan G. Fowler, 2011-07-13 This book provides a guide for grieving youth and adults as well as extensive descriptive lists of recommended professional literature resources Grief caused by loss is both a very common human experience and a highly individualized one For example children experience a number of losses that are unique to their young age such as sibling and parent death adoption or divorce and should be given special consideration by professionals and parents helping them in these situations For gay lesbian or cohabiting heterosexual couples that suffer the loss of a partner societal standards often deny the survivors in these relationships the right to grieve *Helping Those Experiencing Loss A Guide to Grieving Resources* is a book like no other supplying compassionate information for navigating the emotional distress that every man and woman will experience in their lifetime as well as a comprehensive guide to the literature of bereavement and grieving It explains the grieving process interpreting the results of research on the topic in plain language and addressing specific groups children young adults parents who have lost a child adults who have lost spouses and the aging population

Brothers and Sisters in Adoption Arleta James, 2012-02-15 What about the kids already there How do they do when a child with a challenging past joins a family by adoption When experienced parents decide to adopt an older child or a sibling group they jump through all kinds of bureaucratic hoops background checks interviews group meetings reading assignments classes etc But most often the typically developing children these adults are already parenting whether through birth or adoption are left out of the process informed that a new kid is coming and simply expected to adjust to the addition of another sibling The addition of a child with a history of neglect or trauma cannot be a seamless transition The expectations of everyone involved parents new siblings and yes professionals facilitating the adoption must be realistic taking into account that the new child will need special attention that may take away time and attention from the already resident kids that family life is likely to be turned topsy turvy until appropriate counseling and support are in place that relationships will change Therapist Arleta James is certainly not the first person to recognize this but she is the first to do something about it *Brothers and Sisters in Adoption* offers insights and examples and sturdy practical proven tools for helping newly configured families prepare accept react and mobilize to become a new and different family meeting the practical physical and emotional needs of all its members These well prepared and supported families are the ones who thrive

Welcoming a New Brother or Sister Through Adoption Arleta James, 2013-03-28 *Welcoming a New Brother or Sister through Adoption* is a comprehensive yet accessible guide that describes the adoption process and the impact of adoption on every member of the family including the adopted child The book is peppered with real life stories and direct quotes from children which make it a realistic and insightful resource

The Adoption Decision Laura Christianson, 2007 In North America more and more families are adding members through adoption And there are more ways to adopt and kinds of adoption than ever This quick start resource will help prospective parents consider key emotional and spiritual issues up front before they plunge into the near overwhelming mass of details and start to run into roadblocks even dead ends Laura Christianson an adoption educator and mentor and an adoptive mom herself brings her experience and knowledge to address unspoken but crucial questions about loving an adopted child extended family s reaction expenses openness in adoption the role of birth parents physical disabilities emotional behavioral challenges racial and cultural prejudices Recounting real life miracles and mishaps of adoptive families the author will help prospective parents and their friends and family members think through adoption s challenges and joys and confidently move forward from a firm emotional and spiritual footing *Adoption* Laurie Willis, 2012-04-20 This compelling collection of personal narratives and articles explores the topic of adoption The included articles address open adoption issues specific to adopted children and transracial adoptions and diversity Readers will learn about the challenges faced by gay and lesbian adoptive parents and challenges faced by adopted children from other countries and cultures The essays present diversity of opinion on each topic including both conservative and liberal points of view in an even balance

Journey to the Fatherless Lawrence E. Bergeron, 2012-02 The Journey will challenge you to find the kind of life you have always wanted to discover Tom Davis President of Children s Hope Chest and author of *Fields of the Fatherless Scared and Priceless* The global orphan crisis is too serious to ignore the biblical call is to plain to miss I m thrilled to see *Journey to the Fatherless* Tony Merida author of *Orphanology* and Lead Pastor Imago Dei Church and Associate Professor of Preaching Southeastern Baptist Theological Seminary The Journey will move a church from thinking to action in responding to the needs of fatherless children Jayne Schooler author of *Wounded Hearts Healing Homes* and *The Whole Life Adoption Book* The Journey to the Fatherless is life changing Pappas Yeluchuri President Missions to the Nations India DOES THE CHURCH CARE FOR THE WORLD S CHILDREN The evidence on display tells a troubling story with an ever increasing number of orphans in the world kids aging out of foster care AIDS babies in Africa and toddlers in Haiti whose hair has turned orange from severe protein deficiencies What makes this situation especially tragic is that given our wealth talent and resources the Church can be a powerful agent of change and we have the biblical mandate to do so Do Christians have a responsibility to intercede for and sacrifice their resources for vulnerable children What happens to the Church when we do And when we don t How do we begin The Journey to the Fatherless is written by a former agnostic corporate executive and inventor who was chased down by the Hound of Heaven God then took him to the fields of the fatherless so he could experience what breaks the heart of God What he discovered in serving the least of these has been captured for the Church to use to prepare others for their journey The Journey takes the reader beyond *Fields of the Fatherless* and *The Hole in Our Gospel* into a deeper understanding of the problem and the biblical call to action **You Can Adopt Without Debt** Julie

Gumm,2015-01-06 Many families want to adopt but do not have the large amount of money it takes to complete a private domestic or international adoption Some quickly give up the idea of adopting and are left feeling frustrated overwhelmed and discouraged Those who choose to proceed often take out large loans or borrow from family and friends which adds to the financial pressure on the family Author Julie Gumm shares proven strategies from her own experience as well as from others that include applying for grants creative budgeting and fundraising that prospective adoptive parents can use to prepare for and avoid those high costs associated with adoption The Science of Parenting Adopted Children Arleta James,2019-06-21 Explaining how adoptive parents can help their traumatised child develop it looks at the many different factors that can manifest in trauma and how parents should respond to them **Encyclopedia of Cross-Cultural School Psychology** Caroline S. Clauss-Ehlers,2010-02-18 With contributions from leading school psychology practitioners this encyclopedia provides a one of a kind guide to cross cultural school psychology Some 400 entries explore concepts themes and the latest research findings to answer your questions in all aspects of the field Moreover the encyclopedia offers support at all levels of primary and secondary education from pre K to 12th grade Each entry offers a description of a particular term a bibliography and additional readings The editor is widely known for her bi weekly Spanish language columns and her appearances on television and radio as a cross cultural expert
