Citizens Of Purgatory:

Purgatorio Dante Alighieri, 2016-06-01 Like his groundbreaking *Inferno* Hackett 2009 and *Paradiso* Hackett 2017 Stanley Lombardo's *Purgatorio* features a close yet dynamic verse translation innovative verse paragraphing for reader friendliness and a facing page Italian text It also offers judicious headnotes and notes by Ruth Chester and an Introduction by Claire E Honess and Matthew Treherne

Carceral Citizens Caroline M. Parker, 2025-02-10 A nuanced take on how carceral expansions are changing labor and social life In *Carceral Citizens* anthropologist Caroline M Parker offers an ethnographic portrait of therapeutic communities in Puerto Rico the oldest colony in the Americas As nonprofits nested within the carceral state therapeutic communities serve as reeducation and recovery centers for the mostly male drug offenders who serve out their sentences engaged in manual labor and prayer The most surprising aspect of these centers however is that their graduates often remain long after the completion of their term working as self appointed peer counselors in a mixture of volunteer and low wage positions Parker seeks to explain this dynamic by showing how in these therapeutic communities criminalized men find new and meaningful ways of living in the shadow of the prison Through their participation in the day to day functioning of the centers they discover and cultivate alternative forms of belonging livelihood and citizenship despite living within the restrictions of the carceral state Situating her study against the backdrop of Puerto Rico's colonial history and with findings that extend across Latin America Parker challenges common assumptions about confinement labor and rehabilitation By delving into lives shaped by the convergence of imperialism the carceral state and self help she offers a fresh understanding of the transformations of labor and social life brought about by mass incarceration

Hell's Pawn Jay Bell, 2013-12-12 Hell can be bittersweet like the sting of unrequited love After dying John Grey finds himself in Purgatory a pleasureless prison Unable to stand the monotony he makes a brave escape and falls straight into the arms of Rimmon a sizzling hot incubus John is soon recruited as Hell's ambassador and must visit the afterlife realms of other cultures to enlist an army strong enough to stand against Heaven As interesting as his new job is John's mind keeps returning to Purgatory and the souls still trapped there Somehow he must stop a war he doesn't believe in and liberate Purgatory all while trying desperately to win the heart of a lovesick incubus Winner of a Rainbow Award for Best Gay Fantasy and two wins in Goodreads' M/M Romance Member's Choice Awards for Best World Created and Most Surprising Unique Plot Device

Dante's Purgatory: A Retelling in Prose David Bruce, 2012-07-19 This book is a retelling in prose of Dante's *Purgatory* the second part of his *Divine Comedy*

The Protestant Quarterly Review, 1844

From Florence to the Heavenly City Claire E. Honess, 2017-07-05 Dante's political thought has long constituted a major area of interest for Dante studies yet the poet's political views have traditionally been considered a self contained area of study and viewed in isolation from the poet's other concerns Consequently the symbolic and poetic values which Dante attaches to political structures have been largely ignored or marginalised by Dante criticism This omission is addressed here by Claire Honess whose study of Dante's poetry
