Fandom Is Ugly Mel Stanfill, 2024-08-27 In theory fans are people who love something so why across cases from comic

books to TV shows to YouTube to politicians to fan fiction do fans engage in large scale social media harassment to express their anger and what does it tell us about media and public culture [Fake Geek Girls](#) Suzanne Scott,2019-04-16 Reveals the systematic marginalization of women within pop culture fan communities When Ghostbusters returned to the screen in 2016 some male fans of the original film boycotted the all female adaptation of the cult classic turning to Twitter to express their disapproval and making it clear that they considered the film s real fans to be white straight men While extreme these responses are far from unusual with similar uproars around the female protagonists of the new Star Wars films to full fledged geek culture wars and harassment campaigns as exemplified by the GamerGate controversy that began in 2014 Over the past decade fan and geek culture has moved from the margins to the mainstream as fans have become tastemakers and promotional partners with fan art transformed into official merchandise and fan fiction launching new franchises But this shift has left some people behind Suzanne Scott points to the ways in which the men s rights movement and antifeminist pushback against social justice warriors connect to new mainstream fandom where female casting in geek nostalgia reboots is vilified and historically feminized forms of fan engagement like cosplay and fan fiction are treated as less worthy than male dominant expressions of fandom like collection possession and cataloguing While this gender bias harkens back to the origins of fandom itself Fake Geek Girls contends that the current view of women in fandom as either inauthentic masqueraders or unwelcome interlopers has been tacitly endorsed by Hollywood franchises and the viewer demographics they selectively champion It offers a view into the inner workings of how digital fan culture converges with old media and its biases in new and novel ways **The Digital City** Germaine R. Halegoua,2020-01-21 Shows how digital media connects people to their lived environments Every day millions of people turn to small handheld screens to search for their destinations and to seek recommendations for places to visit They may share texts or images of themselves and these places en route or after their journey is complete We don t consciously reflect on these activities and probably don t associate these practices with constructing a sense of place Critics have argued that digital media alienates users from space and place but this book argues that the exact opposite is true that we habitually use digital technologies to re embed ourselves within urban environments The Digital City advocates for the need to rethink our everyday interactions with digital infrastructures navigation technologies and social media as we move through the world Drawing on five case studies from global and mid sized cities to illustrate the concept of re placing Germaine R Halegoua shows how different populations employ urban broadband networks social and locative media platforms digital navigation smart cities and creative placemaking initiatives to turn urban spaces into places with deep meanings and emotional attachments Through timely narratives of everyday urban life Halegoua argues that people use digital media to create a unique sense of place within rapidly changing urban environments and that a sense of place is integral to understanding contemporary relationships with digital media *Wife, Inc.* Suzanne Leonard,2020-05-01 A fascinating look at the changing role of wives in modern America After a half century of

battling for gender equality women have been freed from the necessity of securing a husband for economic stability sexual fulfillment or procreation Marriage is a choice and increasingly women and men are opting out Yet despite these changes the cultural power of marriage has burgeoned What was once an obligation has become an exclusive club into which heterosexual women with the right amount of self discipline may win entry The newly exalted professionalized wife is no longer reliant on her husband s status or money instead she can wield her own power provided she can successfully manage the business of being a wife Wife Inc tells a fiercely contemporary story revealing that today s wives do not labor in kitchens or even homes Instead the work of wifedom occurs in online dating sites on reality television in social media and on the campaign trail Dating marital commitment and married life have been reconfigured No longer the stuff of marriage vows these realms are now controlled by brand management and marketability To prosper women must appear confident empowered and sexually savvy Guiding readers through the stages of the wife cycle Suzanne Leonard follows women as they date prepare to wed and toil as wives using examples from popular television film and literature as well as mass market news women s magazines new media and advice culture The first major study to focus on this new definition of working wives Wife Inc reveals how marriage occupies a newly professionalized role in the lives of American women Being a wife is a business that takes a lot more than a vow to maintain this book tells that story

Homegrown Piotr M. Szpunar, 2018-04-10 An insightful study of how identity is mobilized in and for war in the face of homegrown terrorism You are either with us or against us is the refrain that captures the spirit of the global war on terror Images of the them implied in this war cry distinct foreign others inundate Americans on hit television shows Hollywood blockbusters and nightly news However in this book Piotr Szpunar tells the story of a fuzzier image the homegrown terrorist a foe that blends into the crowd who Americans are told looks talks and acts like us Homegrown delves into the dynamics of domestic counterterrorism revealing the complications that arise when the terrorist threat involves Americans both residents and citizens who have taken up arms against their own country Szpunar examines the ways in which identities are blurred in the war on terror amid debates concerning who is the real terrorist He considers cases ranging from the white supremacist Sikh Temple shooter to the Newburgh Four ex convicts caught up in an FBI informant led plot to bomb synagogues to ecoterrorists to the Tsarnaev brothers responsible for the Boston Marathon bombing Drawing on popular media coverage court documents as well as terrorist produced media Szpunar poses new questions about the strategic deployment of identity in times of conflict The book argues that homegrown terrorism challenges our long held understandings of how identity and difference play out in war beyond us versus them and more importantly that the way in which it is conceptualized and combatted has real consequences for social cultural and political notions of citizenship and belonging The first critical examination of homegrown terrorism this book will make you question how we make sense of the actions of ourselves and others in global war and the figures that fall in between

The Digital Border Lilie Chouliaraki, Myria Georgiou, 2022-06-21 Introduction The

Digital Border The Techno Symbolic Assemblages of Power The Outer Border Assemblages of Humanitarian Securitization The Inner Border Assemblages of Entrepreneurial Securitization The Inner Border as Networked Commons Narrative and Voice in News Stories Visibility and Responsibility in News Imagery Subaltern Voice and Digital Resistance Conclusion The Crisis Imaginary The Digital Border and Its Crises

Targeted Kelly Gates, 2025-08-19 How video transformed policing and security Video cameras are everywhere attached to buildings drones and dashboards embedded in smartphones laptops and doorbells worn on police uniforms and sunglasses In Targeted Kelly Gates argues that the resulting avalanche of video has transformed the landscape of policing and security in the twenty first century Video production analysis and archival management are now central to the ways police power is exercised criminal law enforced and spaces of human habitation securitized Gates examines the primacy of video in four key areas of policing and security the field of digital multimedia forensics private video surveillance infrastructure development police body worn camera systems and video analytics for automated surveillance Video AI Case studies of two companies illustrate the role of corporations in these far reaching media technological changes Target Corporation has integrated its retail security operations with law enforcement expanding its surveillance beyond its stores and parking lots and into the criminal legal system Axon Enterprise is leveraging the growing volume of police body cam video to build a large scale proprietary platform for policing Targeted reveals the role of video infrastructure development in the increasingly entangled relationship between the modern police and the modern corporation in the long wake and ruins of neoliberalism

The Identity Trade Nora A. Draper, 2021-11-02 The successes and failures of an industry that claims to protect and promote our online identities What does privacy mean in the digital era As technology increasingly blurs the boundary between public and private questions about who controls our data become harder and harder to answer Our every web view click and online purchase can be sold to anyone to store and use as they wish At the same time our online reputation has become an important part of our identity a form of cultural currency The Identity Trade examines the relationship between online visibility and privacy and the politics of identity and self presentation in the digital age In doing so Nora Draper looks at the revealing two decade history of efforts by the consumer privacy industry to give individuals control over their digital image through the sale of privacy protection and reputation management as a service Through in depth interviews with industry experts as well as analysis of media coverage promotional materials and government policies Draper examines how companies have turned the protection and promotion of digital information into a business Along the way she also provides insight into how these companies have responded to and shaped the ways we think about image and reputation in the digital age Tracking the successes and failures of companies claiming to control our digital ephemera Draper takes us inside an industry that has commodified strategies of information control This book is a discerning overview of the debate around who controls our data who buys and sells it and the consequences of treating privacy as a consumer good

Citizenship Excess Latinoas Media And The Nation Critical Cultural Communication Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Citizenship Excess Latinoas Media And The Nation Critical Cultural Communication PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the

most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Citizenship Excess Latinoas Media And The Nation Critical Cultural Communication PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Citizenship Excess Latinoas Media And The Nation Critical Cultural Communication free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
