Crooks Like Us:

Crooks Like Us Peter Doyle, 2009 At last the much anticipated follow up to *City of Shadows* Peter Doyle's new book tells the real story behind the mysterious photographs from early Australian police records He adds flesh to the haunting images of the crims prostitutes pick pockets and pimps that stare back at us from history *Photography and Ontology* Donna West Brett, Natalya Lusty, 2018-09-03 This edited collection explores the complex ways in which photography is used and interpreted as a record of evidence as a form of communication as a means of social and political provocation as a mode of surveillance as a narrative of the self and as an art form What makes photographic images unsettling and how do the re uses and interpretations of photographic images unsettle the self evident reality of the visual field Taking up these themes this book examines the role of photography as a revelatory medium underscored by its complex association with history memory experience and identity *Over the Fence* Mary Monroe, 2020-01-28 In this page turning novel set in the Depression era South New York Times bestselling author Mary Monroe transports readers to a small Alabama town where home is not always a sanctuary and two neighboring families let pleasantries mask increasing resentment Bootlegging was Milton and Yvonne Hamilton's ticket out of poverty prison time and plain bad luck Now they've moved on to a bigger richer pool of clientele right in their own respectable new middle class backyard And their growing friendship with the seemingly perfect couple Joyce and Odell Watson is proving golden in more ways than one As Milton soon learns Odell is hiding an outside family and dubious business dealings It's the perfect recipe for a blackmail scheme that will help Milton hide his own dirty secrets even from Yvonne Better yet he can take ever more dangerous risks to ace out his liquor smuggling rivals And Yvonne emboldened by her husband's new gravy train delights in tormenting Joyce about everything the snobbish matron doesn't have especially children But even a winning hand can be played too far Pushed past their limits Odell and Joyce will play on Milton's careless boasting to get him and Yvonne out of their lives for good Praise for *One House Over* Impossible to put down Susan Holloway Scott author of *I Eliza Hamilton* Monroe reveals sympathetic aspects and complex motivations for each character in this engrossing setting Booklist *Carnage* Mark Dapin, 2023-08-02 Millions have been entertained by the viral video of a man being arrested after a succulent Chinese meal But when Mark Dapin investigated it emerged that this man's story went to the heart of the Australian underworld A true crime cult classic in the making Whether you know it as the succulent Chinese meal video or democracy manifest chances are you have seen the video of baritone larrikin Jack Karlson getting arrested outside a Brisbane Chinese restaurant in 1991 The Guardian called it perhaps the pre eminent Australian meme of the last 10 years When Karlson called crime writer Mark Dapin out of the blue though Dapin hadn't heard of him But there was enough that intrigued him about this theatrical outlaw to continue the conversation Over the following months emerged a dark and complex past It turned out that Karlson had been in the background of many notorious incidents in late twentieth century Australian crime from collaborating with infamous prison playwright Jim McNeil to befriending hitman

Christopher Dale Flannery Mr Rent a Kill But most shockingly of all Karlson s life story led Dapin to shed new light on a number of unsolved murders by two serial killers The result is an extraordinary deeply revealing portrait of Australian crime from the 60s to the 2010s a portrait of carnage Mark Dapin could never be accused of glorifying crime but he is guilty as sin for understanding it Inhabited by flawed humans filled with violence humour tears and dreams Carnage is a classic Australian crime story Gary Jubelin author of I Catch Killers True crime at its grim and richly entertaining best and let s face it its truest Robert Drewe author of The Shark Net If ever there was a book crammed with colourful villains who are mad bad and dangerous to know it s definitely Mark Dapin s extraordinary book Carnage Kate McClymont author of He Who Must Be Obeid Carnage is a window into Australian mayhem killingly funny and beautifully told Dapin finds pathos in a twisted world Matthew Spencer author of Black River Carnage begins by probing what seems a minor curiosity an internet meme centred on a colourful character then takes a turn into the lives of traumatised youths hurled without care or thought into brutalising reformatories From there they graduate to rorts robberies violence Bleak lives interspersed with occasional forays into squaresville spouses kids even jobs and attempts at betterment via theatre and literature A unique deeply felt take on the Australian underworld Peter Doyle author of Crooks Like Us The moment I start reading anything by Mark Dapin I m captivated intrigued and engaged for the entire journey There is no finer writer documenting the history and characters of Australian criminality Stuart Coupe
