Baptists and Worship R. Scott Connell, 2020-11-30 Worship is dialogue It is more than that but it is not less than that The way Baptists have worshiped for three and a half centuries demonstrates this consistently in spite of their penchant for freedom and autonomy No one tells Baptists how to order their worship services They don't have a common liturgy that they must follow and yet their services look remarkably similar This is largely due to two controlling factors in their worship The Bible that they embrace as inspired inerrant authoritative and sufficient and the Christ revealing gospel that is contained within its pages When the word of God is followed closely a shape for worship order begins to emerge It is the same gospel shape that is found throughout the Bible When the word of God is applied to a worship service in which God and his people are engaged in a worship conversation a consistent contour of gospel elements and content begins to emerge that reveals the glory of the Christ we gather to worship He is so glorious that when we behold him we are transformed into the same image from one degree to another This is the power of corporate worship 2 Cor 3

True North Gary Heim, Lisa Heim, 2011-09-20 Every day we face some kind of frustration flat tires flooded basements wounding words a broken body a troubled marriage trouble comes in all shapes and sizes and can happen when we least expect it While everyone struggles few people have learned to struggle well But it's not impossible Frustrations arise when we look to people and things of this world to fill our desires rather than to the only One who can really satisfy us *True North* offers a unique biblical paradigm that gives understanding and help to turn to God in the frustrations of life Frustration often causes us to go south and react in the flesh We grumble and grasp God calls us to go north and respond to hardship with wisdom and redemptive love Combining biblical insight with personal stories practical help and compelling examples authors Gary and Lisa Heim encourage readers to turn from self-centered grumbling and grasping to Christ-centered gratitude and giving As they read stories of hardships and trials successes and profits readers will see how frustrations can actually help them grow in their personal lives in their marriages in their parenting and in their ministries Believing that learning to live for God through all of life's frustration is an intentional activity for every day the Heims also provide discussion questions at the end of each chapter to help readers apply biblical truths to situations where frustrations loom Perfect for use in ministry settings or as a handbook for personal growth *Truth North* shows readers how to embark on the life-giving adventure of walking with God

Cross-Cultural Missional Partnership Joshua Bowman, 2023-03-28 Cross cultural partnerships in today's global environment are both challenging and necessary. Misunderstanding and miscommunication often lead to conflict between culturally diverse groups. Christians must understand and evaluate their own culture, the culture of others, and the text of Scripture itself while remaining faithful to Scripture and relevant to culture. Unmediated tensions combined with relational isolation lead to a myriad of problems. This study proposes cross cultural missional partnership as a relationship that mediates these tensions, thereby encouraging mutual faithful engagement in the mission of God. Cross cultural tensions may never disappear, but within a healthy partnership, partners can assist one another in understanding and responding faithfully to Scripture. Partners help one another more faithfully interpret and apply Scripture, leading to obedience to God's will and engagement in God's mission within unique and diverse contexts. *The New Pastor's Handbook* Jason Helopoulos, 2015-09-29 Most seminary graduates will begin their ministries with plenty of important head knowledge to share but with a deficit of some of the most practical aspects of doing ministry, such as which ministry role most suits them, how to start out strong at a new church, persevering during difficult seasons of ministry, leading meetings, and delegating tasks, safeguarding their family, fighting discouragement, pastor envy, and a lack of contentment, navigating special ministry needs such as hospitals, weddings, and funerals, and much more. Through his hard-won wisdom, Jason Helopoulos comes alongside new pastors as a trusted friend and mentor, ready to guide them through their first years of ministry with intelligence and compassion.
