Cogic Deacon Manual:

The Mission of the Deacon Roderick L. Evans, 2025-02-20 In this publication we will discuss the guidelines for the aspirant C O G I C Deacon It is our endeavor to help those entering the deacon s service ministry through providing supplemental support as they navigate the execution of their duties In addition we will provide basic protocols for the Deacon s purpose and function *Handbook for Deacons* J. D. O'Donnell, 1973-06 To help readers discover what the Scriptures say about the duty of a deacon O'Donnell explores the biblical basis for these servants of God giving relevant application to the works they are to perform *Divine Callings* Richard N. Pitt, 2012-02 One of the unique aspects of the religious profession is the high percentage of those who claim to be called by God to do their work This call is particularly important within African American Christian traditions *Divine Callings* offers a rare sociological examination of this markedly understudied phenomenon within black ministry Richard N Pitt draws on over 100 in depth interviews with Black Pentecostal ministers in the Church of God in Christ both those ordained and licensed and those aspiring to examine how these men and women experience and pursue the call Viewing divine calling as much as a social process as it is a spiritual one Pitt delves into the personal stories of these individuals to explore their work as active agents in the process of fulfilling their calling In some cases those called cannot find pastoral work due to gender discrimination lack of clergy positions and educational deficiencies Pitt looks specifically at how those who have not obtained clergy positions understand their call exploring the influences of psychological experience the congregational acceptance of their call and their response to the training process He emphasizes how those called reconceptualize clericalism in terms of who can be called how that call has to be certified and what those called are meant to do offering insight into how social actors adjust to structural constraints **The Deacon's Handbook** Leonard Gillams, 2023-08-21 The Deacon s Handbook is more than just a resource for those serving as deacons and those who aspire to be one The fact is that you don t have to be a deacon to apply principles that God would smile upon The wisdom in this handbook transcends sex age and educational background In other words it may be geared for deacons but it can benefit anyone Leonard Gillams a longtime ordained deacon observes that while no one is perfect how we behave informs ourselves others and God Himself on how we are measuring up to His Holy standards He considers questions such as How did the deacon s ministry develop How can a deacon effectively interact with a congregation How can a deacon build a strong spiritual foundation from which to serve the church The author emphasizes that just as God holds deacons responsible for the churches they serve He also expects them to take care of their families Get guidance to succeed at church and at home with wisdom steeped in Scripture and firsthand experience **The Deacon Ministry Handbook** Alan Witham, 2023-01-31 If you ask any pastor what keeps their church moving forward they will likely point to the serving work of the deacon These special men are the foundation of healthy churches because of their unique servant leadership role no matter the church size Typically they visit the homebound and the sick as they care and pray for those in need Seeing the

actions of these servants assists aspiring deacons in understanding what a deacon does but it does not equate to understanding what a deacon is Through this book Alan Witham Steve Rice and their teammates bring clarity to the role of deacon by providing a practical guide that serves as The Deacon Ministry Handbook The authors bring decades of local church experience having served as deacons pastors and consultants *Commodity Activism* Roopali Mukherjee, Sarah Banet-Weiser, 2012-02-01 Buying RED products from Gap T shirts to Apple to fight AIDS Drinking a Caring Cup of coffee at the Coffee Bean Tea Leaf to support fair trade Driving a Toyota Prius to fight global warming All these commonplace activities point to a central feature of contemporary culture the most common way we participate in social activism is by buying something Roopali Mukherjee and Sarah Banet Weiser have gathered an exemplary group of scholars to explore this new landscape through a series of case studies of commodity activism Drawing from television film consumer activist campaigns and cultures of celebrity and corporate patronage the essays take up examples such as the Dove Real Beauty campaign sex positive retail activism ABC s Extreme Home Makeover and Angelina Jolie as multinational celebrity missionary Exploring the complexities embedded in contemporary political activism *Commodity Activism* reveals the workings of power and resistance as well as citizenship and subjectivity in the neoliberal era Refusing to simply position politics in opposition to consumerism this collection teases out the relationships between material cultures and political subjectivities arguing that activism may itself be transforming into a branded commodity *The Deacon and His Priesthood* Church of Jesus Christ of Latter-day Saints. Presiding Bishopric, 1945 *The Biblical Deacon and the Deaconess Combined Training Manuals* Bishop Larry A. Brookins, 2020-02-28 This is a combination of my two training manuals The Biblical Deacon and The Deaconess Both are designed to provide training for the church in training men and women for the offices and ministries of Deacon and Deaconess **The Deacon and His Priesthood** Church of Jesus Christ of Latter-day Saints. Presiding Bishopric, 1936
