Cogic Manual Handbook:

Women in the Church of God in Christ Anthea Butler, 2012-01-01 The Church of God in Christ COGIC an African American Pentecostal denomination founded in 1896 has become the largest Pentecostal denomination in the United States today In this first major study of the church Anthea Butler examines the religious and social lives of the women in the COGIC Women s Department from its founding in 1911 through the mid 1960s She finds that the sanctification or spiritual purity that these women sought earned them social power both in the church and in the black community Offering rich lively accounts of the activities of the Women s Department founders and other members Butler shows that the COGIC women of the early decades were able to challenge gender roles and to transcend the limited responsibilities that otherwise would have been assigned to them both by churchmen and by white dominated society The Great Depression World War II and the civil rights movement brought increased social and political involvement and the Women s Department worked to make the sanctified world of the church interact with the broader American society More than just a community of church mothers says Butler COGIC women utilized their spiritual authority power and agency to further their contestation and negotiation of gender roles in the church and beyond

Tennessee Women Beverly Greene Bond, Sarah Wilkerson Freeman, 2015-07 The second volume of Tennessee Women Their Lives and Times contains sixteen essays on Tennessee women in the forefront of the political economic and cultural history of the state and assesses the national and sometimes international scope of their influence The essays examine women s lives in the broad sweep of nineteenth and twentieth century history in Tennessee and reenvision the state s past by placing them at the center of the historical stage and examining their experiences in relation to significant events Together volumes 1 and 2 cover women s activities from the early 1700s to the late 1900s Volume 2 looks at antebellum issues of gender race and class the impact of the Civil War on women s lives parades and public celebrations as venues for displaying and challenging

gender ideals female activism on racial and gender issues the impact of state legislation on marital rights and the place of women in particular religious organizations Together these essays reorient our views of women as agents of change in Tennessee history **The Westminster Handbook to Women in American Religious History** Susan Hill Lindley,Eleanor J. Stebner,2008-01-01 The Westminster Handbook to Women in American Religious History provides an affordable and accessible reference to over 750 outstanding individual women and women s organizations in American religious history From publisher description *If it Wasn't for the Women--* Cheryl Gilkes,2001 These collected essays examine the roles of women in their churches and communities the implication of those roles for African American culture and the tensions and stereotypes that shape societal responses to these roles Gilkes examines the ways black women and their experience shape the culture and consciousness of the black religious experience and reflects on some of the crises and conflicts that attend this experience *The Mission of the Deacon* Roderick L. Evans,2025-02-20 In this publication we will discuss the guidelines for the aspirant C O G I C Deacon It is our endeavor to help those entering the deacon s service ministry through providing supplemental support as they navigate the execution of their duties In addition we will provide basic protocols for the Deacon s purpose and function **RQ** ,1992 Divine Callings Richard N. Pitt,2012-02 One of the unique aspects of the religious profession is the high percentage of those who claim to be called by God to do their work This call is particularly important within African American Christian traditions Divine Callings offers a rare sociological examination of this markedly understudied phenomenon within black ministry Richard N Pitt draws on over 100 in depth interviews with Black Pentecostal ministers in the Church of God in Christ both those ordained and licensed and those aspiring to examine how these men and women experience and pursue the call Viewing divine calling as much as a social process as it is a spiritual one Pitt delves into the personal stories of these individuals to explore their work as active agents in the process of fulfilling their calling In some cases those called cannot find pastoral work due to gender discrimination lack of clergy positions and educational deficiencies Pitt looks specifically at how those who have not obtained clergy positions understand their call exploring the influences of psychological experience the congregational acceptance of their call and their response to the training process He emphasizes how those called reconceptualize clericalism in terms of who can be called how that call has to be certified and what those called are meant to do offering insight into how social actors adjust to structural constraints A Collection of Theological Essays Elder Willie Foster,2023-01-26 This book of essays includes some theological work of the author while studying at the Bible Centre of Rochester and Syracuse He sincerely prays that everyone who reads this book will be blessed and enlightened through the words on these pages It is also his hope that the reader develops the desire to dig deeper and further into God s Word Within this book the reader will find some thought provoking words designed to enlighten and encourage readers at all levels Between these pages the readers will find topics such as the following 1 The black church a brief look at the black church from the Trans Atlantic slave trade era to the

modern black church 2 Peter's denial a look at Peter's frailties and growth 3 and 4 New Testament Gospels I and II a brief look at the gospels and their characters 5 Peter and Paul a survey of the dedication of Peter and Paul 6 A comparison of Abraham and Lot a survey of who these men were their weaknesses and strengths 7 Law of first mention a look at how this law plays out in Scripture 8 The universal God an overview of atheism evolution polytheism and materialism versus God the Creator 9 The doctrine of salvation a brief look at some aspects and concepts of salvation 10 Who is Jesus a look at the deity of Christ 11 The Holy Spirit an introduction to the Holy Spirit 12 St John's Seven Signs a review of the seven miracles in the book of Saint John 13 Justification our doorway to the kingdom of God 14 Effective leadership a few things every believer should know 15 Esther the move of God a brief look at a book that does not mention God's name or prayer 16 The sacrificial offering system the significance of blood to man's reconnection with God 17 There is a war going on a brief look at how sin entered the universe and earth and the believer's tools to win in spiritual warfare 18 Exegesis on the Lord's Prayer a discussion concerning the Lord's prayer 19 Exegesis prayer man's communication with God sermon outline Starting his educational journey in the religious arena has been very rewarding and uplifting Everyone especially in ministry should invest in the formal study of God's Word It takes a little more to win souls and minister in today's world than in years past Scripture informs us that the world is becoming weaker and wiser therefore soul winners should seek to become wiser and more knowledgeable in God's holy Word Thus the author encourages anyone starting in the ministry to grasp a good grip on Scripture learning and understanding before taking on the devil in ministry Learn about the religious systems at work and other religious persuasions The Scriptures tell us to study to show thyself approved unto God a workman that needeth not be ashamed rightly dividing the word of truth 2 Timothy 2:15
